

# Down in the Park...

We hope you have enjoyed the improvements in the park over the last few years and thought you might like to know what else we have planned for the future.

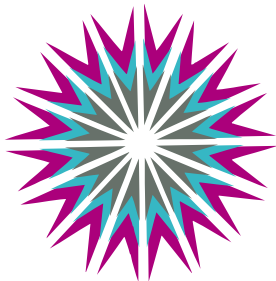

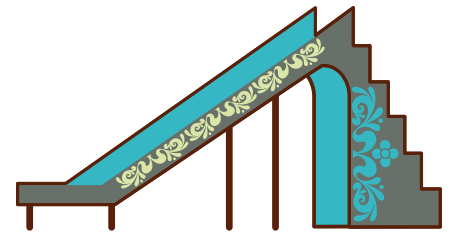

## Café & Sports Changing Rooms

The new cafe opened next to the car park in November. During the winter months the 'Cafe on the Rye' will be open from 9am – 4pm daily. Why not pop in for a tasty snack and enjoy fabulous views of the common.

## Adventure Playground Centre

Work has begun clearing the old adventure play area with building work for the new centre expected to begin shortly. Children's Services hope to open the Centre in the spring.

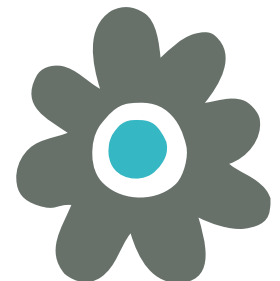

## Old Paddling Pool Site

The old paddling pool site on the common has been awarded £125,000 from Nunhead & Peckham Rye Community Council for improvement works. Ideas include a natural play area which could feature elements of water play.

## Community Wildlife Garden

A community wildlife garden is planned for the old fenced in depot site within the park. The first step is to improve the quality of the soil by removing rubbish and making sure the soil is safe to work on. After this we will be looking to work with the community to create features within the garden.

Peckham Rye Park & Common

Winter 2007/08
