To whom it may concern

Dear Sir / Madam

### Update of Highway Improvement Works – Footway and Carriageway Improvements.

The works at Dulwich Village are currently ahead of schedule and we are at the closing stages of the footway works. In order to complete the works it is necessary for us to close Court Lane to traffic. During this time we will be completing modifications to the kerb line and installing a new raised junction table.

Court Lane will be closed from 21/11/2017 until 22/12/2017. The closure will be lifted over the Christmas period. The road will again be closed from 8/1/2018 until 26/1/2018.

We are aware that these works may cause some disruptions to residents, local businesses and visitors; however, we will endeavour to keep this to a minimum. We will endeavour to complete the works in the minimum time possible. It is possible; however, that the works will take longer than expected if we encounter any unforeseen difficulties, for example bad weather.

Should you have any queries regarding the execution of the works, or you have any specific access requirements, please do not hesitate to contact our contracts supervisor, John Nightingale at Conway Aecom call centre on **0330 337 1001** where we will do our best to assist you. Please quote the borough and site location on calling.

We apologise for any inconvenience caused. We hope you appreciate that the short term inconvenience will be worthwhile given the long term benefits to the community of our Highway investment programme.

Yours faithfully,

CONWAY AECOM
