

Cathedrals Ward

Proposed Polling Districts and Stations

Polling District	Proposed polling station	Projected Electorate*	Proposed Changes from previous Polling districts and reasons
CAT1	Bankside House, 24 Sumner Street	1765	No change from previous years
CAT2	St Alphege Church Hall, Kings Bench St	1155	These are currently one area with a very large electorate. The proposal is to split the area in two but for all to use the same polling place as previously.
CAT3	St Alphege Church Hall, Kings Bench St	1614	
CAT4	Charles Dickens School, Lant Street, London	2219	No change from previous years
CAT5	St Judes Community Centre, St. George's Road	2147	No change from previous years

* The projected electorate is the number of Parliamentary electors due to go to the polling station (i.e. excluding postal voters) based on the register totals at the last general election. It does not include new developments that are likely to complete within the next 4 years which have also been factored in to the recommendations.
