

**The Lane Ward
Proposed Polling Districts and Stations**

Polling District	Proposed polling station	Projected Electorate*	Proposed Changes from previous Polling districts and reasons
TLN1	South London Tabernacle Baptist Church, Welton Hall, Bushey Hill Road	1499	No change from previous years
TLN2	Rye Lane Baptist Chapel, 59A Rye Lane, Entrance in Cerise Road	1353	No change from previous years
TLN3	Thomas Calton Centre, Corner of Alpha Street and Choumert Road	1756	Currently TLN3 polling district ends at Rye Lane. It is proposed to extend the area so that the boundary between TLN3 and TLN5 in future runs along Copeland Road. This is needed as TLN5 is currently close to the maximum limit and should result in most electors being nearer to the polling station.
TLN4	Amott Road Baptist Church, Amott Road	1851	No change from previous years
TLN5	Consort Tenants Hall, 29 Philip Walk	2247	See TLN3

* The projected electorate is the number of Parliamentary electors due to go to the polling station (i.e. excluding postal voters) based on the register totals at the last general election. It does not include new developments that are likely to complete within the next 4 years which have also been factored in to the recommendations.
