

Original Wanderers Club Spotlight

Wanderers were originally founded in 1859 by the Alcock brothers and the club went on to form the FA and won the first FA Cup. Despite having won the trophy five times, the club folded in 1887. It was reformed in 2009, with the support of the Alcock family, to raise money for charity through a weekly 7-a-side social kick-a-bout. Since then, the club has exploded and now has two competitive Men's XIs, a Women's XI in the ninth tier of women's football, an annual overseas tour, two weekly training sessions, our own home ground, and a lively social life - not to mention the weekly 7-a-side game! Our goal is to get back into the FA Cup but our ethos is focused on three things; enjoyment, encouragement, and enthusiasm. We welcome new players, volunteers, and fans. More details, visit www.originalwanderers.com

Training Times and Location

Men - 7:15pm-8:30pm - Thursdays

Women - 7pm-8pm - Thursdays
