

Training Courses

1. London's Supported Accommodation and Resettlement Workers Community of Practice

- **Date:** 5th February 2020
- **Time:** 12:00 – 3:30pm (doors open at 11:45)
- **Venue:** Change Please Academy, Unit 5, Print Village, 58 Chadwick Rd, Peckham, London SE15 4PU

Theme: Motivation; Inspiring people to make life changing decisions and take on opportunities, getting out of homelessness

Change Please are hosting this event at their training academy in Peckham. You will get the chance to hear about training opportunities and support available and see first-hand what it feels like to be involved in the project.

This **free event** is aimed at bringing people together to learn and share in a safe and supportive space. There will be speakers, time to network at lunch and time to look at creatively supporting each other to find solutions and innovations to develop the work we do. The focus is on frontline workers in supported accommodation and resettlement roles. The event is open to anyone delivering services focussed on supporting people experiencing homelessness.

People from paid and unpaid roles and those who have experienced homelessness are welcome.

This venue is **not** fully accessible as the main event will be held on the first floor. Change Please are happy to arrange individual visits at the training academy (ground floor) if this is a problem.
