

DEMOCRACY FUND 2019/20 - ROUND 1 AWARDS

Ref:	Name of group:	Name of Event:	Project Description:	Multi Ward Area:	Award [£]:
1319695	Astley Cooper TRA	Do you know where your children are	Parents and their families will be gently encouraged to worry a bit more, as complacency and denial are the enemies of good parenting in the face of exploitation risks. Parents and their families will also be given the means to do something positive to help keep their children safe.	East Central / North East	£500
1330636	Belham Air Quality Group	Bellenden Road Parade Traffic Chaos	A public community meeting to discuss traffic and serious multiple traffic violations occurring daily in close proximity to schools, pedestrians and cyclists. The benefit of this community discussion is that it will give impetus and input to the stalled design of the Southwark Council's Spine project at the crux central junction and offer greater safety to the community.	East Central / South	£500
1920DF101	Clean Air for Dulwich	Clean Air for Dulwich	The purpose of this event is to raise awareness about the health problems air pollution causes, and how making a switch to active travel can help reduce air pollution.	South	£500
1329851	Delawyk Residents Management Organisation	Discussing safety at home	There have been a spate of burglaries on the estate and the aim of this meeting is to invite the local police officers to come and advise residents especially the elderly, as to how to keep themselves and their properties safe from burglars	South	£150
1330126	Elimhouse Community Association Southwark	Elimhouse Community Association Southwark	The event aim is to inform elderly people of services and support available in Southwark. Also to hear what issues are affecting their quality of life and how they can be helped to overcome these issues.	East Central	£500
1318929	G Maa - Individual Applicant	Bankside Air Quality	Meeting to discuss air quality including what can be done to protect ourselves and our families from toxic air quality.	North West	£500

DEMOCRACY FUND 2019/20 - ROUND 1 AWARDS

1330103	Lettsom Move Forward TRA	Symposium with the neighbourhood police team	The event aims to create an informative, educative and productive forum between the police and the community. This Project will benefit the community by creating a better understanding and a healthy relationship between the people and the police, brainstorming together, to fight against knife crime.	West Central	£530
1328448	Pelican Plus Tenants & Residents Association	Consultation for new homes & apartments	The meeting will discuss new plans to build new homes in Pelican Estate along with the environmental impact as well the need for new homes to meet demand.	East Central	£80
1322676	Restorative Justice for All	Speaking up	The event will bring local residents to debate the recent changes as well as the Canada Water master plan, as these impact on their safety, community cohesion and crime prevention. Using the restorative justice values of power sharing, equality and respect, the event will generate recommendations for local decision makers, while increasing awareness of local residents of the changes that are being implemented in their area.	North East	£800
1327919	Youth Learning Network Ltd	Do You Know Where Your Children Are	This conference is a bold attempt to address the issues of child exploitation which a hidden topic within our communities and help to address this important matter which is also a Taboo in some of our communities. We will like to encourage parents to take the bold initiatives of talking to their children and young people about this important subject matter.	South Area	£500
