In August and September 2019, a study was carried out on the possible introduction of a parking zone in a network of streets within the south east Bermondsey area (South Bermondsey ward), in the London Borough of Southwark.

Following the informal consultation stage on the proposal to implement a new permit parking zone in the SE Bermondsey area, officers have taken into account feedback from the consultation namely for:-

- the retention of existing free 'short stay' bays
- half of the existing loading bays to operate 7 am to 7 pm and the remaining half to operate 7 am to 10 am (single yellow lines with up to 40 mins loading/unloading permitted) with 10am to 6.30pm paid parking with first half hour free ('stop and shop' bays)

The design includes further amendments requested by residents in response to the proposed designs, where feasible and in line with relevant parking design standards and safety considerations.

The Cabinet Member for Environment, Transport and the Climate Emergency has approved the following recommendation, in January 2020:-

To implement a permit parking zone in the SE Bermondsey area, within the South Bermondsey ward in the London Borough of Southwark operating Monday to Friday 8.30 am to 6:30 pm, subject to the outcome of any necessary statutory procedures.
