Statement of reasons

Crosby Row Experimental traffic restrictions correction

The London Borough of Southwark (Parking places) (CPZ 'F') (No. 3) Experimental Traffic Order 2020
The London Borough of Southwark (Waiting and loading restrictions) (Amendment No. 6) Experimental Traffic Order 2020

A previous notice was advertised in the London Gazette (dated 12 March 2020; article 3523140), which included an error to the operational hours of the loading restriction. The above Orders hereby revoke in entirety any Orders pertaining to that older notice.

This scheme, by way of experiment, aims to regulate the flow of traffic in Crosby Row (within both the Chaucer ward and the London Bridge & West Bermondsey ward) in the London Borough of Southwark.

The scheme will:

- Introduce loading restrictions Mon-Sat between 8 am and 6:30 pm;
- Convert all existing single yellow lines to double yellow lines;
- Reduce by 2.5 metres an existing CPZ 'F' permit holders' parking place on the north-west side (outside Crosby Court)

This scheme is being introduced by way of an experiment to allow the Council Officers to monitor its effect, if any, over a period of up to 18 months from the experimental Orders being made; and to revise the scheme, if necessary, within that time.
