

CAMBERWELL COMMUNITY COUNCIL PROFILE

There were **40,835** residents estimated to be living in the Camberwell Community Council area when the latest Census was conducted on 27th March 2011. This profile highlights some of the key information for the area.

- Camberwell is the only community council area within Southwark for which the population characteristics largely reflect those of the Borough as a whole, with some notable exceptions.
- While the proportion of residents aged 65+ (7%) is only slightly lower than the Borough average, this is significantly lower than the national average of 16%.
- Fewer than half of the residents in Camberwell are White (47%) which is lower than both the Borough (54%) and national (85%) averages. The proportion of residents that are Black/African/Caribbean/Black British (35%) is higher than the Borough average of 27% and the national average of 3%.
- The majority of residents in Camberwell identify as Christian (53%), however this is lower than the national average of 59% and the proportion that identify as Muslim (9%) is higher than the national average of 5%.
- The majority of Camberwell residents either have English as their main language (80%) or speak English well (16%), however the proportion of those who can't speak English well or at all (4%) is higher than the Borough average of 3% and the national average of 2%.
- The proportion of Camberwell residents that live in a flat, maisonette or apartment (77%) is higher than the Borough average of 74% and the national average of 21%.
- The proportion of properties in Camberwell that are social rented is one of the highest in the Borough at 50% and is significantly higher than the national average of 18%.
