Dear [REDACTED]

Planning Consultation: London borough of Southwark HRA consultation request

Thank you for your consultation request on the above Strategic Planning Consultation, dated 21st April, 2020 and your subsequent email dated 30th April with your amended HRA.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England can confirm that the HRA is satisfactory in showing that the New Southwark Plan: Submission Version (2020) does not pose any likely significant effects to the four Nature 2000 sites identified within a 10km boundary of Southwark. The HRA is in full compliance with recent case law.

For any new consultations, or to provide further information on this consultation please send your correspondences to consultations@naturalengland.org.uk

Yours sincerely
