

Astley Estate

Reminder Project Group Invitation

This is a reminder that you still have an opportunity to join the New Homes Project Group (NHPG) for Astley Estate. The group will be made up of about nine local people who will work closely with the council and its consultants to develop the plans for new homes.

What are the benefits of joining the project group?

Some of the benefits of joining the project group are that you will:

- Work in partnership to develop a community brief that the architects will need to respond to
- Be part of the interview panel for the architect's appointment
- Have a genuine say in how the scheme will develop
- Sign off the new homes scheme as each important (RIBA) stage
- Influence how the scheme fits in with the existing estate
- Help decide on any improvements to your estate and environment
- Get involved in your local community and meet new people
- Learn about architecture, design and the planning policy process

How to register my interest?

Please contact the project officer on the details provided below no later than 22nd June 2020

How will the meetings take place?

For the foreseeable future we are adapting the way we consult to remove unnecessary social contact. We will:

- Consult with you about the best way to communicate
- Keep you informed via the Consultation Hub
- Continue to liaise with the Astley Cooper Tenants and Residents Association (TRA)
- Continue to write to you directly via post or email
- Depending on Central's Government advice about Covid-19 on when it is possible to do so, arrange face to face meetings

***** If selected to join the NHPG, it is important that you commit to attending all the meetings if possible *****
