

VALIDATION CHECKLIST – APPLICATION FOR PRIOR NOTIFICATION OF PROPOSED DEVELOPMENT IN RESPECT OF PERMITTED DEVELOPMENT BY ELECTRONIC COMMUNICATION CODE OPERATORS

The following information (**on both the national and local list of requirements**) in the validation checklist must be submitted with your application for it to be accepted as valid and for consideration of your application to begin. **We encourage you to submit all applications online via the Planning Portal. However, if you choose to post, please provide 2 copies of hard documents or 1 copy of hard documents and a CD with plans no larger than A3 and to scale.** If any of the required information is not submitted with your application, you should submit written justification as to why you consider it is not appropriate in the particular circumstances of your proposed development. We will automatically declare your application invalid if we cannot justify the need for the information. Our **guidance note** provides more details on the kind of information that needs to be submitted for the matters referred to in the list.

National List of Requirements

Requirements	Guidance Notes
Completed form or written description of the proposed development	Required
A plan indicating the proposed location	At a scale of 1:1250 or 1:2500 (or larger) or at an appropriate scale to show at least two named main roads and surrounding buildings and showing the direction of North. The boundaries of the application site must be edged in red. Any other land within the applicant's control must be edged in blue on the site plan. The immediately adjoining buildings must be numbered or named clearly
