Statement of reasons

Dockley Road area improvements

*The London Borough of Southwark (Charged-for parking places) (Dockley Road area) Order 202**
*The London Borough of Southwark (Waiting restrictions) (Dockley Road area) Order 202**

The scheme proposes changes to parking and waiting restrictions, and new traffic calming measures in the Dockley Road area, within the South Bermondsey ward, in the London Borough of Southwark. These changes are implemented as part of the redevelopment of Dockley Road Industrial Estate.

The planning permission (ref: 18/AP/0091) granted for this development includes the provision of vehicle access from Spa Road to the new development (an existing road hump in Spa Road will be relocated to accommodate this); and a new raised speed table in Dockley Road, which will improve existing traffic calming measures and provide ease of pedestrian crossing.

A total of approximately 36 metres of existing 'shared-use' parking places will be removed in Spa Road within Controlled Parking Zone (CPZ) 'GR' and in Dockley Road within CPZ 'TS'. A total of approximately 47.5 metres of additional 'shared-use' parking will be introduced in Enid Street and in Spa Road within CPZ 'GR', and in Rouel Road within CPZ 'TS', to compensate for the loss of parking mentioned above. An existing car club parking place in Enid Street (south-west side) will be relocated south-eastward by 6 metres.

Add new or amend existing 'at any time' waiting restrictions (double yellow lines) to accommodate the parking changes in Dockley Road, Spa Road, and Rouel Road; and convert timed waiting restrictions (single yellow lines) to 'at any time' waiting restrictions (double yellow lines) in Spa Road.

Southwark Council will also take this opportunity to formally extend, by 6 metres, an existing 'shared-use' parking place on the south-east side of Dockley Road (north-east of its junction with Rouel Road). There will be no physical changes to this parking place in the street, this will be an administrative change to more accurately reflect in the Traffic Order covering this restriction with what is in the street.
