1. Introduction

What is the new Southwark Plan?

- 1.1. The New Southwark Plan (NSP) is a planning document that will provide an overarching strategy for managing growth and development across the borough for 10-15 years. The New Southwark Plan will out how we will deliver further regeneration and wider improvements to our borough in the years to come.
- 1.2. The New Southwark Plan explains our strategy for regeneration from 2018 to 2033. The New Southwark Plan will;
 - Set policies to support the provision of new homes including 11,000 new Council homes
 - Protect our existing schools and community facilities in the borough and provide more where this is needed
 - Protect local businesses and attract more businesses into the borough to increase job opportunities
 - Support our high streets and increase the range of shops to increase their vitality
 - Direct growth to certain areas of the borough, predominantly in Elephant and Castle, Canada Water, East Walworth, Blackfriars Road, Bankside and along the River Thames where there is greater public transport accessibility
 - Introduce policies to improve places by enhancing local distinctiveness and protecting our heritage assets
 - Set policies to provide more green infrastructure and to promote opportunities for healthy activities
- 1.3. The NSP will replace the saved policies of the Southwark Plan 2007 and the Core Strategy 2011 and will be used to make decisions on planning applications.
- 1.4. The NSP will be a spatial plan. Not only will it set out planning policies to guide development but it will also explain how development will be delivered and may inform future decisions about investment in infrastructure.
- 1.5. This consultation plan should be read alongside the draft New Southwark Plan itself (Preferred Option). This documents can be found at:
http://www.southwark.gov.uk/info/856/planning_policy/3315/the_new_southwark_plan

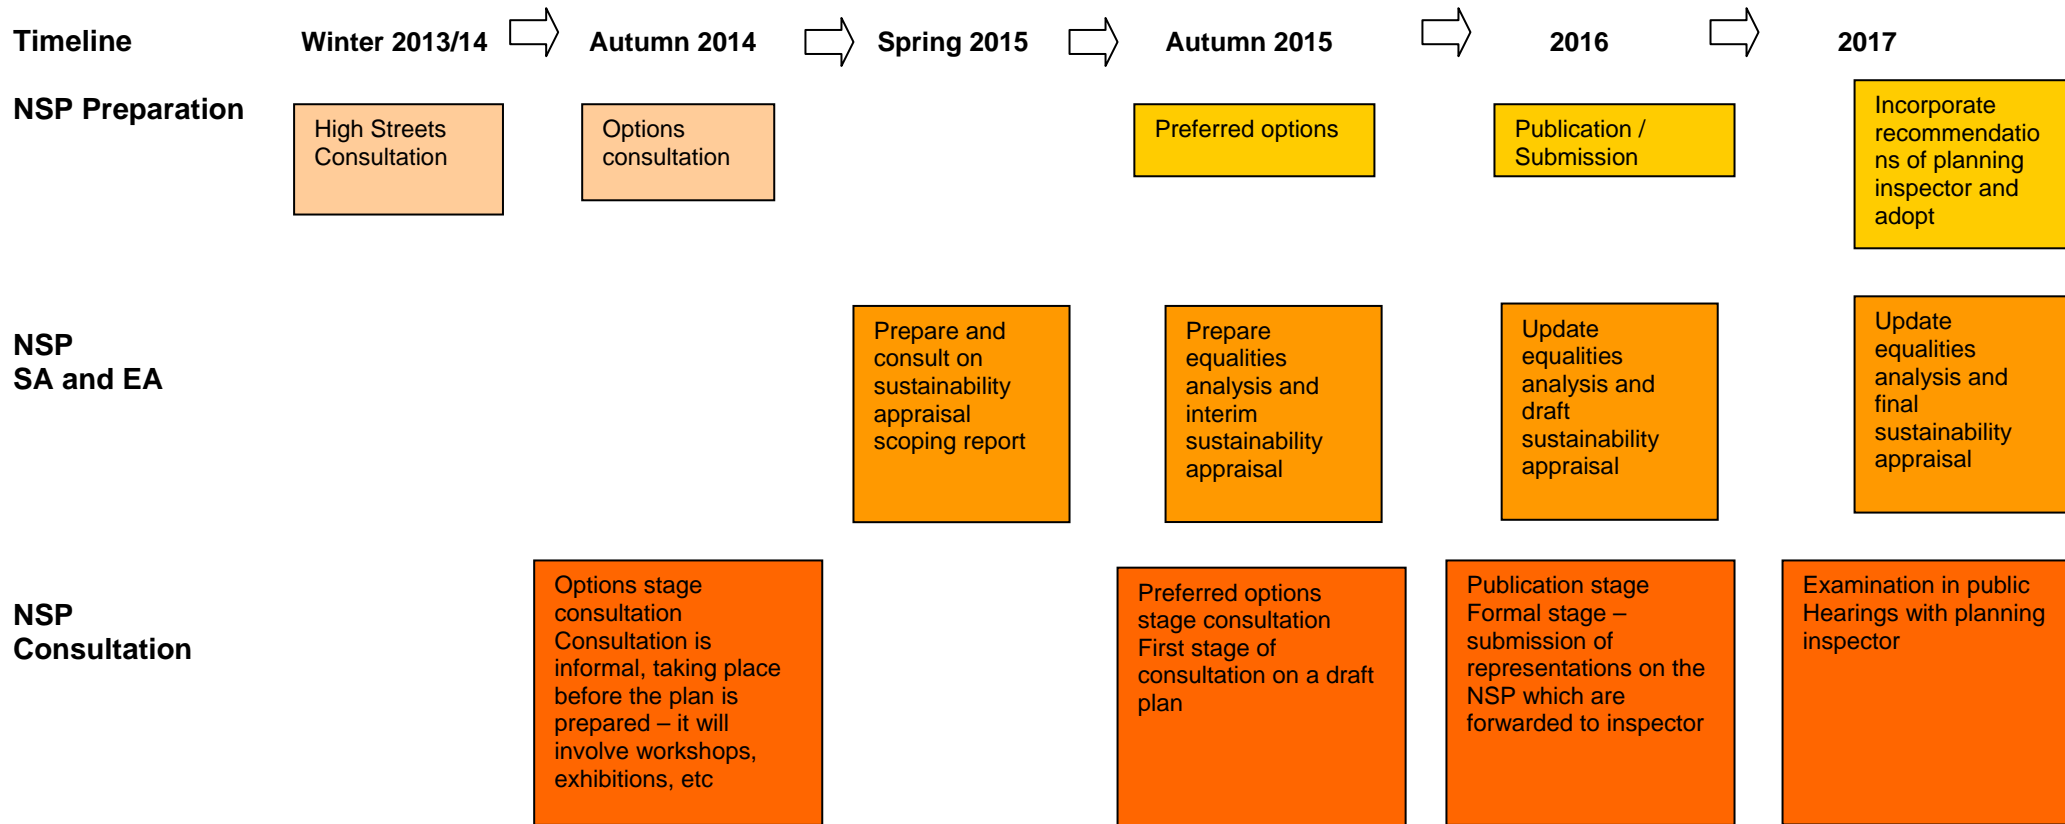

The purpose and objectives of this consultation plan

- 1.6. The purpose of this consultation plan is to explain how consultation on the New Southwark Plan will take place. It explains how the consultation will meet the requirements of the Town and Country Planning (Local planning) (England) Regulations 2012 (The Regulations) as well as the guidance sets out in Southwark's Statement of Community Involvement (SCI). The SCI explains how we will consult the community in the preparation of planning documents. Further information is set out in section 3 of this plan.
- 1.7. We undertook initial informal consultation focused on our High Streets. We carried out a survey focused on the borough's high streets from November 2013 to March 2014. Interested parties had the opportunity to respond online, by post or through attending community outreach consultations at neighbourhood groups. The events were informal sessions in which Council officers attended each venue for three to four hours to discuss the emerging New Southwark Plan and asked residents to share their comments using a brief survey. We held 15 types of consultation events as well as receiving comments by email, post and from local groups representing specific interests such as faith groups, LGBT groups and disability groups. We received a total of 516 questionnaire responses.
- 1.8. We undertook the first stage of consultation on the Issues and Options version of the New Southwark Plan from 31 October 2014 to 6 March 2015. The outcome to this stage of consultation is set out in the consultation report that is published concurrently with the New Southwark Plan Preferred Option.

2. How will the New Southwark Plan be prepared?

2.1. The NSP will involve several stages of consultation. The stages and the relationships between consultation and preparation of the plan itself are shown in Diagram 1 below.

Diagram 1

3. How we are consulting?

- 3.1. This consultation plan sets out the consultation we are planning to carry out on the New Southwark Plan Preferred Option version. This is in accordance with our adopted Statement of Community Involvement (SCI) (2008), which explains how we will consult the community in the preparation of planning policy documents. The following sections set out how we plan to meet the minimum SCI consultation requirements and how we will exceed these requirements where appropriate. By meeting the minimum SCI requirements we will also meet the minimum consultation requirements in the 2012 Regulations.
- 3.2. Once we have finished consulting on the New Southwark Plan Preferred Option we will collate all the responses we receive and see whether we need to amend the plan to take into account the responses. We will provide officer comments on all the responses we receive which will set out whether we have changed the plan to reflect the response, and will explain our reasoning for why we have/have not amended the plan. We will then consult on a Publication version on the New Southwark Plan in Autumn/Winter 2016.
- 3.3. This consultation plan should be read alongside the New Southwark Plan (Preferred Option version). This planning document that will provide an overarching strategy for managing growth and development across the borough for 10-15 years.
- 3.4. All of these documents can be found on our website at:
http://www.southwark.gov.uk/info/856/planning_policy/3315/the_new_southwark_plan
- 3.5. The documents will also be available for inspection at all of our libraries across the borough. Addresses and opening times for all of our libraries are available on our website at; http://www.southwark.gov.uk/info/437/libraries_and_locations
- 3.6. Site allocations will be consulted on separately after the London Mayoral election (5th May 2016) alongside consultation on the Old Kent Road Area Action Plan. We may need to consult further on housing and other matters after the Mayoral election if this has significant implications for the New Southwark Plan.
- 3.7. The area visions will be subject to separate consultation, including area based engagement events, alongside the Preferred Option consultation. These visions are draft ideas at this stage which will be updated significantly following the consultation.

Tailoring the SCI to meet the circumstances of the NSP

- 3.8. The NSP will be a spatial strategy that covers the whole of the borough. It will influence issues that have a significant effect in people's lives and businesses. These issues include how we will support the provision of new homes including 11,000 new Council homes, maintain a strong local economy and healthy town centres, provide infrastructure to support new development, direct growth to the most appropriate parts of the borough and protect and improve our green infrastructure and heritage assets.
- 3.9. The plan will affect many groups in the community including;
- Existing residents living in and around the borough, including council tenants; people in need of housing
 - Existing businesses and businesses looking to move into the borough.
 - People with jobs in businesses in the borough that might be affected; people who might be looking for jobs
 - Landowners.
 - Congregations in the many faith premises that are located in the borough.
 - Shoppers and visitors to the area.
 - Students who are studying and/or residing in the borough.
 - Cyclists and pedestrians using the routes in the borough.
 - Developers.

4. Consultation timetable and methods of consultation

Consultation timeframe

- 4.1. We are required to consult on planning documents for a minimum of six weeks. However, we have found that six weeks does not always allow the community enough time to provide their comments, and so we set out in our SCI that we will consult on our planning policy documents for 12 weeks. We have extended the usual 12 week consultation for the new Southwark Plan by an extra two weeks to take into account the Christmas holidays and ensure everyone has enough time to comment on this stage of the plan.
- 4.2. The New Southwark Plan options document to the public from Monday 26 October 2015 to Friday 12 February 2016.
- 4.3. **All responses must be received by 5pm on Friday 12 February 2016.**

Consultation methods

- 4.4. The tables below set out the different consultation methods we propose to use. We hope to consult with as many people as possible so that the New Southwark Plan reflects the needs and aspirations of our diverse community.
- 4.5. We set out the minimum SCI requirements that we will carry out, and then the additional consultation we propose to carry out. We set out dates where these are already agreed.
- 4.6. This table is not exhaustive and throughout the consultation period we look at ways in which to carry out different types of consultation with as many different groups as possible.
- 4.7. Please check our website for an up-to-date list of dates of meetings and events at:
http://www.southwark.gov.uk/info/856/planning_policy/3315/the_new_southwark_plan
- 4.8. If you would like us to attend your community meeting to discuss the New Southwark Plan please let us know.
