**Meeting 7.00pm to 9.00pm
(with networking from 6.30pm)**

WHO IS THIS FOR

All people who live, work or visit the Old Kent Road and its surrounding neighbourhoods

WHAT WILL HAPPEN

This will be the first in a series of three workshops that focus on the kind of place you want Old Kent Road to be in the future.

Specifically we will:

- ♦ Bring together all the themes we have talked about so far including - history and heritage, businesses and jobs, high streets/town centres and shopping, cycling and walking improvements
- ♦ Look at future opportunities, including the Bakerloo line extension
- ♦ Consider options for regeneration and growth in the area
 - ♦ Work towards a vision for the Old Kent Road

WHAT HAPPENED LAST TIME

Held at Christchurch on the Old Kent Road, we looked at how to make cycling and walking safer, enjoyable and more popular.
