

Investing in council homes priorities poll

A total of **225** responses were processed. The following table shows their sources and proportions:

Source	Responses	%
East Central LHF	24	10.7%
North West LHF	16	7.1%
South LHF	15	6.7%
West Central LHF	19	8.4%
Online Panel	151	67.1%
Total	225	100.0%

The result of the poll can be summarised as follows:

Investing in council homes priorities. Weighted averages

The feedback will be used to shape the Asset Management Strategy Refresh and will help the council decide how to invest in its homes and estates over the coming years.

We will use the resident participation meetings later in the year to present residents with a draft summary of the Strategy before asking Southwark's Cabinet for approval in January.
