# Residents' Update

## for Meeting House Lane New Build

Issue #10  
October 2019

---

### Welcome to your latest newsletter.

ENGIE is working in partnership with Southwark Council to build new council homes at Meeting House Lane. The project is due to complete in April 2020.

#### Works update

We are currently undertaking groundworks for the foundations of the new structure and our current progress is as follows;

- Formwork for level one and three slab is being erected

- Stair cores are complete to level two
- Drainage works are continuing

***Please note that the groundworks may be noisy, however we will implement noise reduction measures wherever possible.***

If you have any queries about the works being undertaken, please contact your Resident Liaison Officer (RLO), Amina Mabifa on **07584 114 373**.

## Protect yourself against bogus callers

To help protect you against bogus callers, ENGIE take a number of precautions including the following;

- Genuine operatives will have an official ENGIE ID badge with a full face photo
- Our operatives wear numbered Hi-Vis jackets
- You can contact your RLO if you doubt the identity of any operative is genuine
- ENGIE do not usually work outside the hours of 8am to 5pm from Monday to Friday or work on weekends. If you see an operative on site outside these hours report it to the Police by calling 101.

If someone can't produce an ID card on request, contact us straight away or call the Police on **101**.

## Your ENGIE site team

If you have a query or would like to report an emergency during our working hours of Mon-Fri 8am-5pm please contact your RLO.

Alternatively our office number is **0207 523 5201**.

If calling out of hours, at the weekend or to report an emergency, please call **0333 121 0067**.
