It is noted that there will be a separate document focussed on the climate emergency. There needs to be a indication of range of content and date of issue. The two plans cannot be done in isolation if the Area Vision is to be achieved.</p> <p data-bbox="188 719 1070 815">Policy objection I do not consider this policy sound because it is not positively prepared or effective</p>	<p data-bbox="1140 392 2033 496">The Climate Emergency policies are an important part of the development plan. The issues have been emphasised in the foreword as a critical part of the strategy for sustainable development.</p>
