<p data-bbox="188 320 539 347">IP6 Monitoring Development</p> <p data-bbox="188 360 678 419">Old Bermondsey Neighbourhood Forum NSPPSV132.29</p> <p data-bbox="188 432 1106 783">Document EIP 27A Policy: IP6 Monitoring development and IP7 Statement of Community Involvement Not effective or legally compliant IP6 to be effective (in relation for example to SP2) there should be a statement about how engagement with communities can be a meaningful part of the monitoring process for things like social and community infrastructure and the success of designed places. This could be part of the Statement of Community involvement however this is out of date and has not been updated to reflect the new pandemic situation which it is widely accepted is affecting different groups in different ways.</p>	<p data-bbox="1140 467 2065 639">Noted. IP7 sets out the Statement of Community Involvement (SCI) which is a document that sets out a strategy and statement for how we engage with communities in plan-making and decision-taking. The SCI is in the process of being updated and you will have further opportunities to engage and comment on the document.</p>
<p data-bbox="188 831 405 890">Caroline Courtois NSPPSV495.4</p> <p data-bbox="188 903 539 930">IP6 Monitoring Development</p> <p data-bbox="188 943 1106 1115">In line with the above, in order to be effective to meet the aspiration for building distinctive and healthy places, the implementation policies need to be enhanced in order to explain how the council will work with local communities to co-produce the aspirations for neighbourhood development and, subsequently, to monitor progress against these aims.</p> <p data-bbox="188 1158 1106 1331">E.g. change to: “We will monitor development to assess how planning policies are working and responding to local people’s needs in Southwark [insert: by working with local residents and partners to agree both these aspirations and the means to track them].</p>	<p data-bbox="1140 940 2065 1075">Noted. Local residents are encouraged to be engaged in the process of setting and setting out how these aspirations through monitoring through public consultation and engagement in plan-making, as further considered in IP7 Statement of Community Involvement.</p>
