New Southwark Plan Strategic Vision	
<p data-bbox="188 357 443 421">Team London Bridge NSPPSV179.2</p> <p data-bbox="188 467 1106 708">New Southwark Plan Strategic Vision – We question the description of London Bridge as one of Southwark’s “residential areas woven in with” other uses. London Bridge is predominantly non-residential. The Strategic Vision should also explicitly identify the important cultural provision in London Bridge and other areas. There is also potential confusion in its description of five strategic locations as residential areas with “homes” additionally woven in.</p>	<p data-bbox="1140 467 2047 531">London Bridge has many different uses; we consider the residential areas to be woven in with other uses such as offices, retail and culture.</p> <p data-bbox="1140 572 2047 604">The London Bridge Area Vision recognises the cultural offer within the area.</p>
