

# General information about the Southwark Christian Network

**Southwark Christian Network**

## 1. Who are we?

We are a group of Christians who have been meeting once a week for the past six years. Members of the group support each other and have supported many other colleagues with a variety of personal and work-related issues. Our vision is to share hope and peace in these unsettling times to colleagues at all levels.

## 2. What are we offering?

- A non-judgmental and confidential listening ear
- Moral support
- Sign posting to relevant support services
- We are not trained counsellors, but prepared to give up our time to support you.
- Prayer support (optional and offered if agreed by both parties)
- Offer of support does not include proactive evangelism but if you would like to explore our faith and the Good News of Jesus, we would be happy to support that.

## 3. What is our vision?

Our vision is to extend a heart of love, care and respect to our colleagues at all levels of the organisation. We will be a contribution towards the achievement of the Council Plan by being part of the Council's efforts towards staff wellbeing.

## 4. When do we meet?

Meetings are held at various office buildings and mainly at lunchtimes in Tooley Street and Queens Road Peckham offices.

## Prayer support

We believe prayer changes things and would love to encourage you to pray with us at Tooley Street on Tuesdays in the Faith Room from 1-1:45pm and Wednesdays from 1-2pm. Location for Wednesday group is sent a few days prior through the distribution list. To receive more information on the Network and to be included in our distribution list, please contact the [Southwark Christian Network mailbox](#)

***Everyone is welcome, regardless of denomination. The Christian Network is also open to those of other faiths or no faith.***

## 5. Further information

If you'd like to be involved or would like further information, please contact [Southwark Christian Network mailbox](#).

## 6. Partnerships

Southwark Christian Network has partnerships with two organisations:

### City partnerships

Tuesday lunchtime (1.10pm to 1.45pm) talks in collaboration with [London Bridge Network](#). Meetings are held in Vivat Bacchus (downstairs room), 4 Hays Lane, London Bridge SE1 2HB.

### London wide partnerships

We aim to support other Christians in local government through [London Councils Christian Network](#) (LCCN) - a group of Christians from various boroughs who want to give support, guidance, encouragement and training to borough prayer groups across the capital. LCCN works very closely with [Transform Work UK](#) whose mission is to inspire Christians at their workplace.
