Dear Resident

Alscot Road, Vauban Estate Community Brief Flyer

As you are aware the New Homes Development team are proposing to build new homes on the parking court on the Vauban Estate.

In line with our commitment to including residents in the building of these homes a Resident Project Group made up of local residents was set up and two workshops were held to develop a Community Brief.

The first role of the Project Group was to develop a Community Brief which details what matters most to residents about the new homes and improving where they live.

The Community Brief will be issued to our architects and they will respond to this during their selection process and then through the design process once they have been appointed.

I have enclosed a summary of the Community Brief for your information and a copy is on the Consultation Hub - www.southwark.gov.uk/vaubanestateimprovements.

Yours sincerely

Kemi Baugh
Project Officer
