1 Overall Aim

- 1.1 The Council and the Funding Recipient are both committed to supporting the aims and outcomes identified in the grant application form. The Council recognises and respects the independence and values of the third sector but also has a responsibility to ensure that organisations which receive funding continue to achieve certain levels of effective management and financial practices and use the funding they receive for the purposes it was granted. The Conditions of Grant Funding set out these requirements and what may happen if they are not met. This document does not constitute a contract and there is no intention to create a legal relationship between us.

2 Funding Recipients' Core Obligations

- 2.1 The Funding Recipients' Core Obligations to the Council in relation to the Funding are to:-

- (a) Use the Funding effectively and as set out in your grant award letter for the Funded Activities, subject to the conditions outlined in the original award letter;
- (b) Comply with these Conditions of Grant Funding;
- (c) Comply with any Legislation or Council Rules which are relevant to the management, provision and delivery of the Funded Activities. In particular, you will support and assist the Council in compliance with our obligations under Southwark Council's Best Value policy and the Human Rights Act 1998 and sign up to the Southwark Diversity Standard;
- (d) Ensure that you have and keep in place effective governance and management practices as set out in Schedule One;
- (e) Ensure that you have and keep in place sufficient resources and effective financial practices as set out in Schedule Two;
- (f) Ensure that you are properly managed, staffed, operated and/or equipped to provide the Funded Activities as set out in Schedule Three;
- (g) Ensure that you have and keep in place effective monitoring and information systems as set out in Schedule Four;
- (h) Primarily base your Funded Activities within the boundaries of the London Borough of Southwark and to directly or indirectly benefit the people who live or work in Southwark and to take positive steps, where appropriate, to involve local people in managing or otherwise participating in the Funded Activities.

3 Council's Obligations

- 3.1 Subject to your compliance with these Conditions of Grant Funding, the Council will:

- (a) act reasonably in all matters;
- (b) ensure reasonably prompt payment of the Funding;
- (c) endeavour to maintain clear communication;
- (d) give you reasonable notice of any matter which affects or may affect the provision of the Funding; and
- (e) provide you, wherever reasonably possible, with appropriate additional non-financial support.

4 Funding

- 4.1 Capital grants are released on receipt of an end of project report (this will be sent separately) along with proof of expenditure incurred on your project, photographs, press releases, etc. However, we recognise that for some organisations advance payment of a grant (whether partial or full) will be necessary for the project to begin. You should discuss this with the Monitoring Officer as soon as possible.
- 4.2 Funding payments depend on your continued satisfactory management and operation, the Funded Activities continuing on an on-going basis and compliance with these Conditions of Grant Funding.
- 4.3 You must only use the Funding for the Funded Activities as described in your grant award letter, including the conditions of funding. You must keep the Monitoring Officer informed at all times about how you use the Funding. In particular, if you wish to use part of the Funding for any other purpose, this must be agreed in writing in advance by your Monitoring Officer.
-

- 4.4 The Council does not permit Funding to be used to fund your deficit under any circumstances.
- 4.5 You must not use the Funding to pay for publicity which is for or against any political party.
- 4.6 The Council reserves the right to withhold Funding, or demand repayment of any Funding already paid, if the Funding is not used for the Funded Activities or in breach of these Conditions of Grant Funding as set out in Condition 7.

5 Premises

- 5.1 You shall ensure that the premises from or in connection with which the Funded Activities are provided are appropriate and offer a safe environment. So far as is required by law, you shall make those premises fully accessible to people with disabilities.
- 5.2 Where you are in occupation of Council owned premises, you will enter into a lease or licence for those premises in the terms provided by your Monitoring Officer and where the Funding includes a sum to cover the rent the Council may take this amount from the Funding payments.

6 Dispute Resolution

- 6.1 The Council will endeavour to work with you to address any problems identified through the monitoring process, or to address any concerns raised with the Council in another way. All initial queries or concerns should be raised with your Monitoring Officer.
- 6.2 If an issue or dispute relating to the Funding cannot be resolved between the Funding Recipient Representative and the Monitoring Officer, it will be referred to a more senior representative of the Council and the Funding Recipient for resolution.
- 6.3 Both parties acknowledge that it is generally in both of their interests for issues or disputes between them to be practicably resolved amicably by negotiation wherever possible.

7 Suspension, Termination and Recovery of Funding.

- 7.1 You must not in any circumstances assume that the Council will provide future Funding. Before the start of each financial year, the Council considers which third sector organisations to fund and at what level, so no assurance or comfort can be given that Funding will continue.
- 7.2 Funding may be temporarily or permanently reduced, withheld, recovered and/or discontinued by the Council in the Council's sole discretion at any time on the occurrence of any one or more of the following events:
 - (a) you or any person acting on your behalf are in material or repeated breach of any one or more of your Core Obligations;
 - (b) you are or are likely to become subject to an insolvency or bankruptcy event or to cease to operate or to provide the Funded Activities;
 - (c) you are in breach of any of the covenants or conditions of any lease, licence or permit with the Council;
 - (d) the Council decides for financial or other reasons not to continue the Funding.
- 7.3 Where the Council intends to exercise its right to reduce, withhold, recover or discontinue Funding, we will give you as much prior written notice as reasonable in the circumstances setting out a summary of the reasons for the proposed action. You may then, if appropriate, be given the opportunity to make representations to the relevant Council decision-maker as to why the Council should not take the proposed action and to present any information which you consider relevant.
- 7.4 However, you should be aware that if you create or allow the occurrence of a nuisance, commit or allow the occurrence of a fraud or a fraudulent activity or in any way act unlawfully you are liable to have your funding immediately suspended, pending a full investigation by the relevant Council decision-maker.

7.5 If the Council withdraws the Funding, it will consider giving you winding down costs. However, the Council shall not in any circumstances be responsible for any of your outstanding liabilities.

8 Dissolution

8.1 Where the dissolution of the Funding Recipient has been approved, your governing body shall notify the Council of the amount of any unspent Funding that is held by you and shall provide the Council with a final set of accounts up to the date of dissolution.

8.2 Any amount of unspent or otherwise uncommitted Funding shall be refunded to the Council and any assets purchased by you with the Funding, shall be returned to the Council unless the Council agrees otherwise in writing.

9 Variations

9.1 The Council may, from time to time, change any or some of these Conditions of Grant Funding. Where this occurs, the Council will write and tell you about the changes and subject to your written consent, the changes will be deemed to be incorporated into these Conditions of Grant Funding with effect from the date of any such notice. You shall use your reasonable endeavours to accommodate any changes to the needs and requirements of the Council.

- 2.3. You are advised to discuss any proposed changes to your constitutional documents with your Monitoring Officer in advance to ensure that you continue to meet your effective management and governance obligations. If the Council considers that any such changes to the constitutional documents are of an adverse nature, this may lead to the Funding being withheld or withdrawn.
- 2.4. You must promptly advise your Monitoring Officer of any significant change in the circumstances within your organisation or in the circumstances on which the Council based our decision to provide or to continue to provide your Funding.

3. Governing Body and Meetings

However, part or all of confidential client and staff information need not be provided.

In the event of any such circumstances arising, alternative arrangements must be discussed and agreed with the Monitoring Officer.

 - 4.2.4. you shall promptly inform the Council of any employee of the Council or currently elected member of the Council who is serving on your Governing Body. The member or employee in question should abstain from voting on issues relating to your relationship with the Council.

5. Internal Disputes

- 5.1. The Council considers that internal disputes within your organisation are the responsibility of your Governing Body and you must have agreed procedures in place for dealing with and/or resolving any such disputes. As any such disputes may have an impact on the provision of the Funded Activities, you should inform the Monitoring Officer of any such dispute at an early stage.

6. Dissolution

- 6.1. Any dissolution of the Funding Recipient shall be done in accordance with your constitutional documents and/or other relevant rules and the Council shall be given proper notice of the meeting(s) at which the your dissolution is considered and/or approved. You hereby grant the Council, and/or any third party which performs services on behalf of the Council, a non-exclusive, perpetual, transferable, royalty free licence to use such work for Council business that is reasonably related to the Funded Activities. You also warrant that any document or design produced by you is your original work which does not infringe the copyright, design right, moral right or any other rights of any third party, and that no claims of such infringement have been made or are the subject of litigation actual or threatened.

1 Funding

- 1.1 This Funding is for capital works only, and cannot be used to fund non-capital items including salaries, project administration/management, workshops or events (this list is not exhaustive). If in doubt you should seek advice on this as soon as possible. We cannot reimburse non-capital items on completion of your project.
- 1.2 If your CGS grant is part funding for a larger project, for the purposes of this document only provide a breakdown of the CGS capital grant. We may ask for further information on the total budget at a later date.
- 1.3 You must tell us about all other sources of funding for your project. All other funding, including other council grants, should be shown in the 'match funding' section. You must notify us of any future funding applications or awards in respect of your project. Failure to do so may result in your CGS grant being cancelled and funding reclaimed.

2 Release of grant

- 2.1 This agreement is between the Funding Recipient and the Council. Payments will be made to the Funding Recipient only, not to third parties e.g. contractors working on the project.
- 2.2 This grant is for the 2020-21 CGS programme. No expenditure before the 1 April 2020 can be reimbursed. You must not begin work on your grant project or commit to any expenditure related to it until the Monitoring Officer confirms your organisational documentation and cost/works programme have been approved. Any expenditure predating the sign off from the monitoring officer will not be reimbursed.
- 2.3 Capital grants are released on receipt of an end of project report along with proof of expenditure incurred on your project, photographs, press releases, etc. We recognise that for some organisations advance payment of a grant (whether partial or full) will be necessary for the project to begin. You should discuss this with the Monitoring Officer as soon as possible.
- 2.4 All expenditure must be for the approved purposes of the grant and we will only pay for expenditure incurred delivering your project. If there is an under spend or not all of the funding is required, this sum will be reported back to the relevant community council for reallocation to other projects.

Schedule Six: Delivering Cleaner Greener Safer capital grants

1 Delivery

- 1.1 Your project must be delivered within two years of the grant being awarded. However, we expect the majority of projects to be completed within a year. Please let us know if you expect your project to take longer than a year. If your project has not been delivered within two years, your grant will be reviewed and may be withdrawn.
- 1.2 The Funding Recipient will be responsible for all contact with third parties.
- 1.3 In most cases, you will need to seek the land or property owner's permission to carry out works. If the owner is Southwark Council, you will need to contact the relevant department for permission e.g. Housing for works on an estate, Parks for works in a park, Planning for planning permission. Your Monitoring Officer can provide more information.
- 1.4 You must provide the Monitoring Officer with the following information as necessary for the duration of your project and this includes, though is not limited to the following:
- a) Provide a programme which includes all project stages from start up to completion, and seek approval from the Monitoring Officer; update the programme, as necessary, with any changes which must first be agreed by the Monitoring Officer;
 - b) Seek agreement from the Monitoring Officer in relation to which project stages need to be signed off and approved by asset owners, Southwark Council or other third party consents. All relevant permissions and approvals must have been obtained prior to works being initiated;
 - c) Inform the Monitoring Officer of any change to the scope of the project and seek approval prior to committing any finances for this purpose;
 - d) Submit reports at project end or at agreed intervals, as advised by the Monitoring Officer;
