Monthly Update

Dear Resident

Guildmore - Building for Southwark

Guildmore, in partnership with Southwark Council, is developing 25 residential homes for council rent. The project is planned to complete in February 2022.

Works Completed

- We have progressed with the building façade and completed the structural sections of the external walls on the first and second floors. This provides the weather-tightness needed for internal works to commence.
- We have completed the brickwork and tanking to ground and first floors of the Royal Road elevation.

Works due next

- Facing brickwork on elevations.
- Asphalt works to balconies and walkways.
- Completion of roof.
- Internal drylining to continue on all floors.
- Screeding to ground floor.

Site working hours:

Monday - Friday 8am to 6pm

Saturday – 9am to 2pm

(No works will be undertaken on Sundays or Bank Holidays)
