If you need to report an emergency out of hours, or at the weekend, please call us on **0333 121 0067**.

Assistant Site Manager,
Amina Mabifa - 07584 114 373

Senior Site Manager,
Brendan Byrne - 07583 070 414

Our latest progress...

We're happy to confirm that we have completed all screeding works as well as curtain walling to the community hall.

We are progressing the internal works with first fix mechanical and electrical installations, painting and fitting kitchens and bathrooms (*Please note new kitchen and bathroom installations are for the new build at Meeting House Lane only and not existing properties on the Acorn Estate*).

We have erected additional scaffolding to allow the ground floor bricks to be finished on the east elevation.

The door entry system and drainage works are also still in progress as well as preparations for landscaping works.

We are making preparations for vinyls to be laid.

To help mitigate any delays caused by the previous COVID-19 lockdown and to maintain social distancing, our revised extended hours are **(8am - 5pm, Monday to Friday and 8am - 2pm, Saturdays)**.

We will only carry out works in this extended period when it is critically required and benefits the completion of the development.

If you have any queries about the works being undertaken, please contact the site team using the details provided on page 1.

COVID-19 measures

As more businesses and venues start to re-open, we would like to remind you that we are still following current government guidelines regarding protective measures and social distancing to prevent the spread of COVID-19. These measures ensure we continue to deliver our works safely.

COVID-19 remains a very real danger. If you are experiencing any symptoms please isolate at home and book a free test - **Do your part to keep your community safe and COVID-19-free.**

Community Engagement

ENGIE in the local community

Our social value team is committed to leaving a legacy in Southwark through a range of activities, such as helping young people to develop employability skills, supporting local charities, and volunteering our time to improve the local environment.

If your organisation needs volunteers to support your activities, please contact Patrick Warren at patrick.warren@engie.com.

Free workshops and careers advice

We're passionate about construction, and keen to help young people find out about our industry and the fantastic variety of career opportunities available.

If you work with young people, and would like a member of our team to give an insight into construction-related careers, or facilitate one of our highly regarded interactive workshops, please contact Patrick Warren at patrick.warren@engie.com

Construction sites are not playgrounds!

Construction sites can be dangerous places. Please be aware of the dangers and consequences of trespassing on this site and pay special attention to all ENGIE safety signage displayed around our site - **it's there for your safety as well as ours!**
