Supporting children, young people and
families in Southwark

Southwark
Council
southwark.gov.uk

Families Matter brings together a range of support from children's, adult and education to health and employment services, that can help our most vulnerable families in Southwark.

We want to ensure that children, young people and families receive the best possible support from the right people at the right time, to help improve outcomes and life chances for all.

Families Matter includes:

- Services for everyone aged 0 to 19 years that help children, young people and families day to day
- Services which provide early help and support so that things don't become more serious for you and your family
- Intensive services which reduce the number of children and young people who are at risk of significant harm and / or being taken into care, enabling more children and young people to live at home with their families
- Care services which ensure that those who need help in various settings receive the right service and that support continues for those leaving care

All agencies in Southwark are signed up to the Southwark Families Matter programme. Your family information is shared between agencies to make sure that you receive the right service and that progress can be monitored.

Please go to: www.southwark.gov.uk/familiesmatter to learn more about our services and how we use your personal information.
