

Women's Safety Charter

This licensed premises commits itself to ensuring women in Southwark have a safe night out.

The signatory undertakes to:

- 1. Prominently display high visibility posters in the venue which discourage harassment and encourage reporting*
- 2. To take every report of harassment and sexual intimidation seriously and take appropriate action*
- 3. To take active steps to support persons who report harassment or sexual intimidation which might take place in their premises*
- 4. To train all front of house staff to address women's safety and harassment*
- 5. To take active steps to ensure women leave the venue safely.*

By this my signature I confirm I agree to adhere to the above principles and ensure their implementation and that I am duly authorised to act on this matter:
