5. Monitoring and reporting	14

1. Introduction

What is the New Southwark Plan?

- 1.1. The New Southwark Plan (NSP) is a statutory planning document that will provide an overarching strategy for managing growth and development across the borough for the next 15 years. The plan will set out how we will deliver further regeneration and wider improvements to our borough in the years to come.
- 1.2. The New Southwark Plan explains our strategy for regeneration from 2019 to 2036. It will:
 - Set policies to support the provision of new homes including 11,000 new Council homes
 - Protect our existing schools and community facilities in the borough and provide more where this is needed
 - Protect local businesses and attract more businesses into the borough to increase job opportunities
 - Support our high streets and increase the range of shops to increase their vitality
 - Direct growth to certain areas of the borough, predominantly in the Old Kent Road, Elephant and Castle, Canada Water, East Walworth, Blackfriars Road, Bankside and along the River Thames where there is greater public transport accessibility
 - Introduce policies to improve places by enhancing local distinctiveness and protecting our heritage assets
 - Set policies to provide more green infrastructure, tackle the climate emergency and to promote opportunities for healthy activities
- 1.3. The NSP is a spatial plan. Not only does it set out planning policies to guide development but it also explains how development will be delivered and may inform future decisions about investment in infrastructure. The final NSP will replace the saved policies of the Southwark Plan 2007 and the Core Strategy 2011 and will be used to make decisions on planning applications.
- 1.4. This consultation plan should be read alongside the **Proposed Main Modifications to the New Southwark Plan**. This document can be found on the **Examination website** along with all of the supporting documents, evidence base and examination documents that have been submitted to the Planning Inspectorate.
- 1.5. This consultation will focus on the Proposed Main Modifications to the New Southwark Plan as well as a number of updated accompanying documents. The following documents have been prepared:
 - EIP219 Main Modifications to the New Southwark Plan
 - EIP220 Schedule of Changes to the Policies Map
 - EIP224 Updated Integrated Impact Assessment (July 2021)
 - EIP225 Updated Equalities Impact Assessment (June 2021)
 - EIP237 NSP Director's Report (August 2021)
 - EIP238 Additional Modifications to the New Southwark Plan

The purpose and objectives of this consultation plan

- 1.6. The NSP was submitted to the Planning Inspectorate for Examination in January 2020. Consultation previously took place January - May 2019 for the Amended Policies and October 2017 - February 2018 for the Proposed Submission Version. As part of the Examination in Public we carried out another consultation from August - October 2020, which allowed us to gain feedback on changes to the plan which were recommended by the Inspectors (EIP27A and B, Council's Proposed Changes to the Submitted NSP, August 2020).
- 1.7. The public hearings took place virtually from 23 February – 11 March 2021 and 19 April – 30 April 2021. These can be viewed on the [Council's YouTube page](#). Following these hearings, the Council has proposed a number of main modifications to the Plan which have been agreed by the Inspectors. These modifications are what we seek comments on now. All duly made representations on the proposed main modifications will be considered by the Inspectors.
- 1.8. Paragraphs 1.3-1.6 of the Inspectorate's Procedure Guide to Local Plan Examinations provides a helpful definition for "main modifications" and "additional modifications" (commonly referred to as minor modifications).
- 1.9. "Main modifications" are material changes to the submitted Plan which are necessary to make it sound and legally compliant. Main modifications can only be recommended by Inspectors at the request of the Local Planning Authority. The council asked the Inspectors under section 20(7C) of the 2004 Planning and Compulsory Purchase Act as amended) to recommend 'main modifications' (changes that materially affect the policies) to make a submitted local plan sound and legally compliant on 21 May 2021 (EIP233). The Inspector's wrote a Post-Hearings Letter to the Council on 28 May 2021 (EIP236).
- 1.10. "Additional modifications" (minor modifications) are proposed non-consequential amendments to the Plan not necessary for soundness. These generally involve changes that enhance the clarity of the plan without materially affecting the implementation of plan policies and to provide factual updates. The examination does not concern itself with 'additional modifications' and these changes are a matter for the Council to make to its plan. It can be beneficial, however, if when consulting on proposed main modifications, the Council also publishes a schedule of its additional modifications for completeness. Additional Modifications have been published at the same time as this consultation.
- 1.11. Main Modifications incorporate changes to the New Southwark Plan since the Proposed Submission Version 2017 incorporating Amended Policies 2019. The council then made minor changes at Submission stage and at Council's Proposed Changes version August 2020 which was consulted on August to October 2020. The full list of Main Modifications and Additional Modifications is set out for this consultation. Other modifications that have already been made and consulted on since the 2017 Proposed Submission Version of the NSP (including the 2020 Council's Proposed Changes to the NSP) are contained in the document EIP27D (Schedule of Changes). This document has now been incorporated into the Main Modifications and Additional Modifications. Where a CPC (Council's Proposed Change) has been superseded or incorporated into a Main Modification, this is referenced in the left-hand column. The remainder CPC modifications are minor and are shown in the Additional Modifications document (EIP238).

- 1.12. Consultation will take place from **6 August 2021 – 24 September 2021** (11:59pm). The Examination will remain open during this time.
- 1.13. The purpose of this consultation plan is to explain how this stage of consultation on the New Southwark Plan: Main Modifications will take place. The Inspectors will be taking into account all duly made representations on the 2017/18 Proposed Submission Version (PSV) plan. They will also take into account those representations already received on the 2019 Amended Policies Version (APV) content and the August 2020 NSP Southwark Council's Proposed Changes Version.
- 1.14. This consultation plan explains how the consultation will meet the requirements of the Town and Country Planning (Local planning) (England) Regulations 2012 (as amended) (The Regulations). It also meets the guidance set out in Southwark's currently adopted 2008 Statement of Community Involvement (SCI) as well as the SCI which is currently being updated in consultation with the local community. The SCI explains how we will consult the community in the preparation of planning documents. Further information is set out in section 3 of this plan. However, given the situation with COVID-19 and the current restrictions in place, there may need to be some alternatives to the consultation standards set out in the adopted SCI. The draft SCI is being updated with alternatives to consultation when face-to-face engagement is not possible. This is in line with the Government's Planning Practice Guidance: Plan-making (updated on 13 May 2020).
- 1.15. Several stages of consultation have already been undertaken for the New Southwark Plan. Between November 2013 and March 2014 the council carried out an informal stage of consultation through a survey focused on the borough's high streets. Interested parties had the opportunity to respond online, by post or through attending community outreach consultation sessions at neighbourhood groups. We received over 500 questionnaire responses.
- 1.16. The Issues and Options version of the New Southwark Plan was consulted on from October 2014 to March 2015. This version of the plan set out early draft policies and area visions. The document presented different options on policy approaches and we sought feedback on these. We received over 300 written responses during this stage of consultation as well as feedback through a variety of channels including workshops, meetings and conversations with the interested residents, people who worked and owned businesses in the borough, professional bodies and organisations, landowners and other interested stakeholders.
- 1.17. Between October 2015 and February 2016 the council consulted on the Preferred Option draft of the policies of the New Southwark Plan, including high-level strategic policies, set out across the key "fairer future" themes that the council will help to deliver (such as "Quality Affordable Homes" and "Cleaner, Greener, Safer"). The outcome to this stage of consultation is set out in the consultation report that was published concurrently with the NSP: Area Visions and Site Allocations (Preferred Option) document.
- 1.18. The Area Visions and Site Allocations consultation formed the second part of the Preferred Option stage and was consulted on from February to July 2017. Since the close of these consultations, the council has had the opportunity to review the responses received and produced a set of New and Amended policies which was consulted on in an 'interim' consultation from June to September 2017.
- 1.19. The Proposed Submission Version, which contains all policies including strategic policies, detailed development management policies, the area visions for the

borough's neighbourhoods and the final list of development site allocations, was consulted on between October 2017 and February 2018. This consultation led to further amendments to certain policies; Southwark Council subsequently produced the Amended Policies which was consulted on between 15 January 2019 and 17 May 2019.

- 1.20. Consultation on the Proposed Submission Version and the Amended Policies led to changes being made to the plan and the New Southwark Plan Submission Version – Proposed Modifications for Examination was submitted to the Planning Inspectorate for Examination in January 2020. Following initial correspondence from the Inspectors, the council consulted on the Council's Proposed Changes to the Submitted Plan the Examination from 27 August 2020 to 26 October 2020.

2. How we are consulting?

- 2.1. Tables 1-4 of this Consultation Plan set out how we will consult on the New Southwark Plan Main Modifications.
- 2.2. Once we have finished consulting on the New Southwark Plan Main Modifications we will collate all the responses we receive, and these will be passed to the Inspectors via the Programme Officer.
- 2.3. This consultation plan should be read alongside the New Southwark Plan Main Modifications. This document sets out the changes proposed to policies used for decision making, visions for the borough's neighbourhoods and the proposed key development sites which will help the council and its partners deliver on these visions. All Hearings statements, Statements of Common Ground and evidence base that has been updated throughout the Examination is available on the Examination webpages.
- 2.4. The Examination will remain open throughout this consultation. After the consultation has closed, the Inspectors will review the representations and write their final report. The final New Southwark Plan will then be adopted by the council. This is a decision taken by all councillors at the Council Assembly.
- 2.5. As with the previous three rounds of consultations, at this stage we are required to ask two specific questions which will give our residents and stakeholders an opportunity to comment on how the New Southwark Plan has been prepared, that its aims are achievable and that the plan is based on a robust evidence base. These questions are more commonly known as the 'Test of Soundness.' These are the same questions the independent Planning Inspectors will be asking as part of the examination.

1. Is the Local Plan Legal?

A plan is considered legal when it complies with section 20(5) (a) of the Planning and Compulsory Purchase Act 2004.

You may wish to consider the following before making a representation on legal compliance:

- Whether the Local Plan has regard to national policy and guidance issued by the Secretary of State
- Whether the Local Plan has been prepared in-line with our Local Development Scheme (LDS)

- Whether community consultation has been carried out in accordance with our adopted Statement of Community Involvement
- Whether an Integrated Impact Assessment assessing social, environmental and economic factors has been prepared and made public.
- Whether the requirements of the Duty to Co-operate have been met. The Localism Act, section 110, and the National Planning Policy Framework, paragraphs 24 to 27, creates a duty on all local planning authorities and other bodies to cooperate with each other to address strategic issues in the preparation of the Local Plan

2. Is the Local Plan ‘Sound’?

As part of the examination, the independent Planning Inspector is required to consider if the New Southwark Plan has been positively prepared, justified, effective, and is consistent with national policy.

You may wish to consider the following before making a representation on the Soundness of our plan:

- **Positively Prepared:** This means that we have objectively assessed the need for homes, jobs, services and infrastructure and these have been delivered sustainably. If you think that our assessments are not objective or do not take sufficient account of unmet needs in neighbouring authorities then your comments relate to whether our Local Plan has been positively prepared or not.

- **Justified:** This means that the Plan is based upon a robust and credible evidence base. If you think that the evidence doesn’t support the choice made in our Local Plan or there are realistic alternatives then your comments relate to whether it is justified.

- **Effective:** This means that the Plan is achievable. If you think that what we are proposing in the Local Plan will not happen as the required infrastructure cannot be provided, the groups who will deliver elements of it haven’t signed up to it or our Local Plan does not join up with the strategies of our neighbouring authorities, then your comments relate to whether our Local Plan is effective or not.

- **Consistent with national policy:** Do you consider that our Local Plan accords with the National Planning Policy Framework, the London Plan, other policies or includes clear and convincing reasons for doing something different? Alternatively, you may think that the Local Plan should depart from national policy due to an identified and justified local need.

- 2.6. New Southwark Plan documents can be found on our website at:
<https://www.southwark.gov.uk/planning-and-building-control/planning-policy-and-transport-policy/new-southwark-plan>

Tailoring the SCI to meet the circumstances of the NSP and consulting during COVID-19

- 2.7. The Statement of Community Involvement 2008 and the draft Statement of Community Involvement 2019 sets out how the community can expect to be consulted throughout the planning process. Because of current government

restrictions relating to COVID-19 there will be a need for some alternatives to the way in which we consult. This consultation is going ahead to ensure that we can continue to deliver housing, businesses and other projects under a plan with a set of strategic policies and visions. To make sure that we can carry out this consultation safely, we will adhere to current government guidelines around social distancing and will carry out this consultation online. The draft Statement of Community Involvement 2019 is being updated to reflect alternatives to consultation when face-to-face consultation is not possible. This is in line with the Government's Planning Practice Guidance: Plan-making (updated on 13 May 2020).

3. Consultation timetable and methods of consultation

Consultation timeframe

- 3.1. Consultation will last for 7 weeks as recommended by the Planning Inspectors and account for summer holidays.
- 3.2. The New Southwark Plan Main Modifications and updated evidence base will be available for comment.
- 3.3. Further details on how to make representations are set out in the 'Statement of Representations Procedure' which accompanies this consultation.
- 3.4. **All responses must be received by 11:59pm on 24 September 2021.**

Consultation methods

- 3.5. The tables below set out the different consultation methods we propose to use. Throughout preparing the New Southwark Plan we have sought to consult with as many people as possible so that the New Southwark Plan: Main Modifications reflects the needs and aspirations of our diverse community. We have also taken into account representations made at the public hearings.
- 3.6. We set out the minimum SCI requirements that we will carry out, and then the additional consultation we propose to carry out. We set out dates where these are already agreed.
- 3.7. This table is not exhaustive and throughout the consultation period we will look at ways in which to carry out different types of consultation with as many different groups as possible.

TABLE 1: MINIMUM CONSULTATION AS REQUIRED BY THE 2012 REGULATIONS¹ AND NATIONAL POLICIES

Method of Consultation	Consultee	Date	Comments
<p>As per Regulation 35(1)(b):</p> <p>Display the plan and accompanying documents on the council's website.</p>	<p>All</p>	<p>6 August 2021</p>	<p>Our website will continually be updated. The New Southwark Plan document and associated documents is available on our website: https://www.southwark.gov.uk/planning-and-building-control/planning-policy-and-transport-policy/new-southwark-plan?chapter=2</p>

Method of Consultation	Consultee	Date	Comments
			<p>London SE1P 5LX</p> <p>As the office is currently closed due to restrictions relating to COVID-19, we ask that anyone who wishes to write a letter, emails or phones us first on 0207-525-5403 so that we can ensure that someone will be there to receive the representation. We will however check all post received addressed to Planning Policy at the above address at the end of the consultation period.</p>

TABLE 2: CONSULTATION REQUIRED BY OUR ADOPTED STATEMENT OF COMMUNITY INVOLVEMENT 2008 ADDITIONAL TO THE REGULATIONS 2012

Method of Consultation	Consultee	Date	Comments
Place a press notice in the local newspaper to advertise the start of the formal consultation period.	All	From 6 August 2021	This will be in the Southwark News.

TABLE 3: CONSULTATION AS REQUIRED BY OUR EMERGING STATEMENT OF COMMUNITY INVOLVEMENT 2019 ADDITIONAL TO THE 2012 REGULATIONS AND THE STATEMENT OF COMMUNITY INVOLVMENT 2008

Method of Consultation	Consultee	Date	Comments
Advertise the consultation through posters in libraries	All	N/A	Restrictions relating to COVID-19 may mean that this is not possible
Advertise consultation on the plan through council social media	All	From 6 August 2021	Send out regular updates and reminders through council social media pages
Provide an online questionnaire on the Consultation Hub with links to where the New Southwark Plan and accompanying documents can be found on the council's website.	All	6 August 2021	Consultation Hub will be available for the consultation period.

TABLE 4: FURTHER CONSULTATION

Method of Consultation	Consultee	Date	Comments
We will allocate timeslots for people to give feedback over the phone where they cannot write a letter/send an email/ access the Consultation Hub	All	6 August 2021 – 24 September 2021	Phone calls will allow those who cannot access the internet or send a letter to engage with the consultation and provide comments on the plan
Make an announcement about the consultation at Planning Committee	All	7 September 2021	Announcement to be made

4. How to comment on the New Southwark Plan

- 4.1 We welcome your comments on the New Southwark Plan Main Modifications and updated evidence base documents regarding the legal tests of soundness.
- 4.2 Please contact us if you would like to know more about the plan or to find out more about our consultation.
- 4.3 All comments must be received by **11:59pm on 24 September 2021**.
- 4.4 Representations can be made via the [Consultation Hub](#)

Representations can be made via email: planningpolicy@southwark.gov.uk

Representations can be made in writing and sent to:
Planning Policy
PO BOX 64529
London
SE1P 5LX

*Please note that the office is currently closed and all officers are working remotely. Therefore there will be a delay in acknowledging the receipt of a written response. We would ask that anyone wishing to send a letter rings us first so that we can ensure that there will be someone to receive a response.

If you have any additional queries please e-mail: planningpolicy@southwark.gov.uk or call either **0207-525-5403**

5. Monitoring and reporting

- 5.1 The outcomes of the New Southwark Plan Main Modifications consultation will be uploaded to the Council's examination webpage.
- 5.2 After this consultation, all written comments received will be published. All representations will be submitted to the Inspector's as part of the Examination. Following the Inspector's review, a final report will be published from the Inspectors, taking into account consultation responses received to the Main Modifications.

Appendix A: Statement of Representations Procedure

Statement of Representations Procedure

This document has been prepared pursuant to the Town and Country Planning (Local Planning) (England) Regulations 2012 (Regulation 19, 20 and 35) and sets out the items described in 1) – 8) below:

The following items listed no. 1 - 8 sets out what this Statement of Representations Procedure addresses:

1) Title of document

Title of the development plan document published for consultation

2) Subject matter

What this document is about

3) Period for submission of representations

When the consultation closes

4) Where to view the plan and supporting documents

Link to web page

5) Things to consider when making a representation

Regarding 'soundness' and legal compliance

6) How to submit your representation

Online, by email or by post

7) Notification of next stages

Tell us if you want to be notified

8) Contact for more information

Phone and email of the Southwark Council planning policy team

1) Title of the document

New Southwark Plan: Main Modifications and updated evidence base documents. These can be viewed on the Council's [Examination webpage](#) and are listed in the schedule of Examination documents.

2) Subject Matter

The New Southwark Plan (NSP) is Southwark Council's new Local Plan which has been submitted to the Secretary of State for Communities and Local Government. The NSP sets out the council's primary planning and regeneration strategy up to 2036 to deliver a fairer future for all in the borough. The plan includes strategic and detailed planning policies, visions for each of the borough's neighbourhoods, and sites identified and allocated for development which will help deliver on these visions. The plan sets out how and where much needed new homes, jobs, social, green and transport infrastructure can and should be delivered to meet the borough's needs. The plan also includes monitoring indicators which set out how we will monitor the impacts of these policies and the strategy set out in the New Southwark Plan.

The New Southwark Plan has been submitted to the Secretary of State and is now at Examination stage. Independent Inspectors have been appointed to examine the plan. The Council has responded to their matters, issues and questions and completed public hearings to ensure the plan is legally sound. The role of this consultation is to provide the opportunity for representations to be made on the changes arising from the issues explored during these hearings. The main modifications will be presented as table showing where changes have been made to the policies since the Proposed Submission Version 2017 (including Amended Policies 2019). Minor modifications are either shown in EIP27D (Schedule of Changes) or the Additional Modifications document (additional minor changes since Examination hearings). All previous comments made on the Proposed Submission Version/Amended Policies/Proposed Changes remain valid and do not need to be repeated. These have been submitted to the Inspectors and published on the [Examination webpage](#). Accordingly, as part of the next consultation representations that have already been made on either the PSV, APV or Proposed Changes 2020 Version plan content should not be re-submitted.

The plan was submitted to the Planning Inspectorate for Examination in January 2020. The Examination will remain open throughout this consultation. Hearing sessions took place virtually from 23 February – 25 March 2020 and 19 April – 30 April 2020. These can be viewed on the [Council's YouTube page](#).

3) Period for submission of representations

Consultation will last from 6 August to 24 September 2021 (11:59pm).

4) Where to view the plan and supporting documents

The plan and all supporting documents, including previous consultation responses that have been submitted to the Planning Inspectorate can be found on the Council's [Examination webpage](#).

5) Things to consider when making a representation

Comments made in this round of consultation should be focused on the Main Modifications. All comments made at previous stages of consultation remain valid and do not need to be repeated. Accordingly, as part of the next consultation representations that have already been made on either the PSV or APV or Proposed Changes August 2020 plan content should not be re-submitted. We will encourage respondents to review our published responses to their previous representations and use the opportunity to raise points that they feel remain unresolved. Representations and officers responses to these representations can be found on the Council's [Examination webpage](#).

As with the previous two rounds of consultations, we are required to ask two specific questions which will give our residents and stakeholders an opportunity to comment on how the New Southwark Plan has been prepared, that its aims are achievable and that the plan is based on a robust evidence base. These questions are more commonly known as the 'Test of Soundness.' These are the same questions the independent Planning Inspector will be asking as part of the examination.

1. Is the Local Plan Legal?

A plan is considered legal when it complies with [section 20\(5\) \(a\) of the Planning and Compulsory Purchase Act 2004](#).

You may wish to consider the following before making a representation on legal compliance:

- Whether the Local Plan has regard to [national policy](#) and [guidance](#) issued by the Secretary of State
- Whether the Local Plan has been prepared in-line with our [Local Development Scheme \(LDS\)](#)
- Whether community consultation has been carried out in accordance with our adopted Statement of Community Involvement
- Whether an Integrated Impact Assessment assessing social, environmental and economic factors has been prepared and made public.
- Whether the requirements of the Duty to Co-operate have been met. [The Localism Act, section 110](#), and the National Planning Policy Framework, paragraphs 24 to 27, creates a duty on all local planning authorities and other bodies to cooperate with each other to address strategic issues in the preparation of the Local Plan

2. Is the Local Plan 'Sound'?

As part of the examination, the independent Planning Inspector is required to consider if the New Southwark Plan has been positively prepared, justified, effective, and is consistent with national policy.

You may wish to consider the following before making a representation on the Soundness of our plan:

- **Positively Prepared:** This means that we have objectively assessed the need for homes, jobs, services and infrastructure and these have been delivered sustainably. If you think that our assessments are not objective or do not take sufficient account of unmet needs in neighbouring authorities then your comments relate to whether our Local Plan has been positively prepared or not.
- **Justified:** This means that the Plan is based upon a robust and credible evidence base. If you think that the evidence doesn't support the choice made in our Local Plan or there are realistic alternatives then your comments relate to whether it is justified.
- **Effective:** This means that the Plan is achievable. If you think that what we are proposing in the Local Plan will not happen as the required infrastructure cannot be provided, the groups who will deliver elements of it haven't signed up to it or our Local Plan does not join up with the strategies of our neighbouring authorities, then your comments relate to whether our Local Plan is effective or not.
- **Consistent with national policy:** Do you consider that our Local Plan accords with the National Planning Policy Framework, the London Plan, other policies or includes clear and convincing reasons for doing something different? Alternatively, you may think that the Local Plan should depart from national policy due to an identified and justified local need.

6) How to submit your representation

Online through our [Consultation Hub](#)

By email: planningpolicy@southwark.gov.uk

By post: Planning Policy, Southwark Council, PO BOX 64529, London, SE1P 5LX

Please note: all comments will be made public and will be submitted to the appointed Inspectors along with the New Southwark Plan and other relevant supporting evidence following this consultation. **We will not consider confidential or anonymous responses. Your comments and name will be published but other personal information will remain confidential.**

7) Notification of next steps

- Final Inspector's Report published
- The adoption of the New Southwark Plan by Southwark Council following approval at Council Assembly

Please double check that the contact details you include with your representation are correct so we can contact you regarding the Examination in Public.

Please note: Reference to 'Section 20 of the Act' refers to Section 20 of the Planning and Compulsory Purchase Act 2004. You can find out more information about this by viewing and downloading Section 20 of the Act here: <http://www.legislation.gov.uk/ukpga/2004/5/section/20>

8) Contact for more information:

Please contact the Southwark Council Planning Policy team by email at planningpolicy@southwark.gov.uk or by phone at 0207-525-5403
