<p>Buds Pre-school has been running successfully for the past 5 years. The centre is a popular meeting place for mothers and babies / toddlers who attend various clubs ranging from music to sign & sing. Outside the centre is a fabulous children's park as well as a beautiful green common for families to enjoy. There are two very popular primary schools within a short walking distance from the pre-school. We follow the EYFS but also ensure that most of our children are able to start reading before transfer to reception schools. We work closely with parents and we are planning to start a parents' FORUM so as to support our local parents and carers. Member of Pre-School Learning Alliance.</p>
