Starting secondary school in Southwark 2019/20

Applications close 31 October 2018
Apply online at www.southwark.gov.uk/schooladmissions
Dear parents and carers

Brilliant schools give young people the great start in life they deserve.

As Southwark Council’s cabinet member for children, schools and adults care, I’m delighted to present you with this fantastic brochure to help you choose one of our excellent secondary schools for your child.

I am so proud that Southwark’s schools provide the high standard you need for your child to reach their full potential.

94% of secondary schools in Southwark are judged good or outstanding by Ofsted. We are working hard to drive standards up so all our pupils attend a school that exceeds London averages at every stage.

You and your child can select up to six schools that you would most like your child to attend.

Here we give you information about what each school can offer your child over the next five years. Some schools specialise in arts, maths, languages, science or digital technology, and so it is important to get a good understanding of what is on offer when making your choices. I encourage you to attend open days and evenings to take a tour of the schools and meet the teachers. Dates for open days and evenings are also included within this brochure.

All applications for secondary school places must be made using our online application at www.southwark.gov.uk/schooladmissions. If you need help accessing the online application, then you can use the internet for free at any Southwark library or MySouthwark customer service point, with staff on hand to provide help.

If you have any queries about schools in Southwark, do please get in touch with me at jasmine.ali@southwark.gov.uk or on 020 7752 0322. Alternatively, Southwark Council’s school admissions team is always on hand to guide you through the process. You can reach them at schools.admissions@southwark.gov.uk or 020 7525 5337.

I wish you the very best.

Finding the right school for your child

Start finding out about schools now

- Before you decide which schools to apply for and your order of preference, we strongly advise that you read the guidance in this brochure.

- You will find information about schools in Southwark either within this brochure, from the schools directly, online or by contacting Southwark Council's school admissions team on 020 7525 5337.

- You can also talk to teachers and other parents/carers whilst thinking about what is important to you and your child.

Look at school brochures/websites

- All schools produce their own brochures, which contain far more information about the school than we can provide in this brochure.

- Many schools also have their own website which can be a valuable source of information. School websites are included on the individual school's page within this brochure.

- To help you research which schools are right for your child, all Southwark Council libraries offer free access to the internet with staff on hand to help. To find your local library, contact Southwark Council's customer service centre on 020 7525 5000.

Visit as many schools as possible

- Parents and carers are strongly encouraged to visit schools to see what each has to offer. Please see pages 7 and 8 for open day/evening dates.

- If you are interested in applying for a school, look at their oversubscription criteria in detail before completing the online application and listing it as a preference.

Look at the most recent Ofsted reports

- All schools in Southwark are inspected regularly by the Office for Standards in Education (Ofsted). Ofsted's main aim is to help improve the quality and standard of education and childcare through independent inspection. You can check the latest report for any school by asking the school for a copy or by visiting the Ofsted website www.gov.uk/government/organisations/ofsted

Extra help

Help and advice is always available from our school admissions team. We can answer any questions you may have about the admissions process. Email schools.admissions@southwark.gov.uk or you can phone us on 020 7525 5337.

Types of secondary schools in Southwark

There are three types of mainstream secondary schools in the borough and Southwark Council co-ordinates admission applications on behalf of all these schools. The schools all follow the national curriculum and are regularly inspected by the Office for Standards in Education (Ofsted). For children starting school in Southwark there are 20 secondary schools to choose from.

Voluntary aided schools
There are three voluntary aided secondary schools in Southwark. The school’s governing body is responsible for their admissions and decides how pupils are admitted.

Academies
There are 14 academies in Southwark. The Academy Trust is responsible for school admissions and decides how pupils are admitted.

Free school academies
There are three secondary free school academies in Southwark. The school’s governing body is responsible for school admissions and decides how pupils are admitted.

All of Southwark’s secondary schools are their own admissions authority and are responsible for setting their own admission arrangements. Our school admissions team co-ordinates admission applications to all schools. In cases where a decision not to offer a place has been made, parents/carers will need to contact each school or academy for further details.

Admission authorities are responsible for ensuring that their arrangements are fair, clear and compliant with current regulations. If you have a query about a particular arrangement, you must raise it directly with the relevant admission authority e.g. the school. If your query remains unresolved and it relates to a Southwark school, please contact our admissions compliance officer by email at admissions.compliance@southwark.gov.uk

You may also raise any objections to admission arrangements with the Office of the Schools Adjudicator by 15 May. Please see page 49 for details on how to contact them.
If your child was born between 1 September 2004 and 31 August 2005 and is currently in year 9, s/he is eligible to apply for a place at a University Technical College (UTC) or a studio school to start at the beginning of year 10 in September 2019.

UTCs and studio schools admit pupils at the beginning of year 10 and provide technically oriented courses of study or work skill based learning for 14 to 19 year olds. Although there are currently no UTCs or studio schools in Southwark, you can still apply for a place for your child at a UTC or studio school outside of Southwark. Please visit www.utcolleges.org for information on UTCs near to where you live.

If you are a Southwark resident and would like to apply for your child’s admission to a UTC or studio school, you must apply online at www.southwark.gov.uk/schooladmissions

Please note you must only apply if:

- your child is currently in year 9; and
- you would like your child to transfer from a secondary school to a UTC or studio school to start at the beginning of year 10 in September 2019

Any schools other than UTCs or studio schools that are named on the child’s online application will not be considered.

For further information or advice on UTC and studio schools please visit www.southwark.gov.uk/schooladmissions. Alternatively, you can email the school admissions team at schools.admissions@southwark.gov.uk or call the team on 020 7525 5337.
How to apply

Information about applying

Before you start applying there are a few things you need to know.

- If your child was born between 1 September 2007 and 31 August 2008, your child is due to start secondary school in September 2019. You must start applying from 1 September 2018 and submit your application by 11.59pm on 31 October 2018.

- If you are a Southwark resident you must apply online at www.southwark.gov.uk/schooladmissions

- If you live in another borough you must complete the admission application for the borough in which you live, even if you would like to apply for a school in Southwark.

- When applying for a school place you may express a preference for up to six schools whether they are in Southwark or in another borough.

- If you are going to apply to a school under their medical/social criterion it is important that you visit the school before naming it as a preference on your application. This is to ensure that the school is suitable to meet your child’s needs.

- If you are applying to a secondary school that uses banding within its criteria, your child will be required to take a test. Please contact the school for further details.

- Some schools need to collect information that is not included on the admission application. They request this information using a supplementary information form (SIF). The school will use the information you provide by comparing it against their published admissions criteria. For example, a faith school will require evidence of church attendance.

- You must complete a SIF if the school you have listed as one of your preferences requires this. Please view the individual school’s page within this brochure to check if a SIF is required.

When can I start applying online?

- You can start applying online from 1 September 2018 at www.southwark.gov.uk/schooladmissions

- If you do not have a computer at home or do not have internet access, Southwark Council libraries and MySouthwark customer service points offer free access to the internet with staff on hand to help. To find your local library or MySouthwark customer service point, contact Southwark Council’s customer service centre on 020 7525 5000 for further details.
How to apply online?

Online school admission applications are quick and easy to do. Follow the steps below and you’re ready to start your child’s online application.

**Step 1**
- To apply online go to www.southwark.gov.uk/schooladmissions
- Click on

  ![Apply online for school admissions](image)

- You will be taken to the eAdmissions webpage.

**Step 2**
What to do if this is the first time you are applying online using eAdmissions

- If you have previously used the eAdmissions website to apply for a school place for any of your children you do not need to register again. Please go to Step 3.
- If this is the first time you are applying for a school place on the eAdmissions website, you must register to apply online. It is important that the person registering has parental responsibility for the child and that they both live at the same address that has been stated on the online application.

- You will need an email address to register. Don’t worry if you do not have an email address. You can sign up for a free email account by reading our leaflet ‘Registering for an email account’ which can be requested from the school admissions team by calling 020 7525 5337.
- We recommend that applicants use GoogleMail if possible. However, if you already have an email address you should set your spam/junk mail filter to ‘Standard’ so that emails from eAdmissions go straight to your inbox. You should also occasionally check your spam/junk email folder to make sure that messages from eAdmissions are not sent there by mistake.
- You can also sign up to get notifications either by text message or by downloading the ‘ParentComms’ mobile app.
- You will need to click on ‘Register to apply online’. Once you have registered, you will be asked to create your own password.
- You will then be sent an email with your user name and instructions which you must follow to validate your email address.
- The email will also contain a web link which will take you to the eAdmissions log in page to start your application.

Please keep your user name and password safe as you will need these same details to log in to make any future online applications and to see the outcome of your application.

**Step 3**
What to do if you have applied before using eAdmissions or you have registered and have a user name

- On the home page click on ‘Return to an existing account’ and enter your user name and password.
- If you have forgotten your user name or password click on the ‘Forgotten your user name or password?’ link. Both your user name and password can be re-sent to the email address you used when you first registered (please check your spam/junk folder as it may have been sent there).
Once you log in to your account, your personal details will be displayed on the page. You must check if any of your details e.g. your address, email or phone numbers have changed and update them. Once any necessary changes have been made, you must tick the box to confirm that your details are correct.

You must also read and agree the privacy policy by ticking the box and then click on ‘Save and continue’ to start the application.

Step 4
Completing the application

Once you have logged in, you will be directed to your home page called ‘My school admissions’.

If you can see your child’s name on your ‘My school admissions’ page, click on the ‘Start new application’ button below the child’s name. This button will only be available for children whose date of birth falls within a relevant age range. You should check your child’s existing details and click ‘Next’ to continue.

If your child’s name is not displayed, click on ‘Start a new application for a child that is not listed below’. You will then be directed to the ‘Child details’ page where you must enter the child’s details for whom you are making the application.

You must also select your child’s current school/nursery from the drop down list. If your child’s school/nursery is not listed on the drop down list, you must manually type it into the text box provided.

Once complete, click on ‘Next’ to continue with the application.

Each page on your screen will explain what you need to do with a ‘Help’ button at the top of the page which you can click on or guidance notes on the left to help you.

You must select the school you want for your first preference from the drop down list. You can apply for up to six schools which you must select and list in the order you prefer them. Please ensure that the correct school is selected especially when there are other schools with a similar name in the borough.

It is your responsibility to check that your online application is fully completed and that all details are entered correctly. Failure to tick certain boxes, e.g. the sibling box, the looked after children box, or the social/medical box, will mean that your application will not be considered under these criteria.

If you are providing additional supporting documentation you must upload this as an attachment with your online application or submit this by post before 11.59pm on 31 October 2018. Please see the back cover for the school admissions postal address.

If you have ticked the ‘social/medical’ box, you must provide additional information to support your application such as a recent medical/social report or letter from a professional. If you have ticked the ‘looked after child’ box you must provide supporting documents such as a court order and a letter from your child’s social worker. The letter must confirm that the child is currently looked after or has been previously looked after by a local authority but ceased to be so because they were adopted (or became subject to a child arrangements order, special guardianship order or residence order).

You must ensure that you click ‘Next’ each time you complete a page of the application or your information will not be saved.

Step 5
When and how do I submit the application?

When you have completed your application you must submit it by 11.59pm on 31 October 2018. The online application will not be deemed as on time if it is received after this time and date.

Use the ‘Submit Application’ button to submit your application.

After you have submitted your online application you should receive an email confirming that your application has been submitted successfully. The email will also include a unique application reference number similar to this: 210-2019-09-E-123456.
If you do not receive this email and an application reference number it means your application was not submitted successfully and you must log in and click on the ‘Submit application’ button again.

Southwark Council cannot accept responsibility for applications and supporting documents which are not submitted by the closing date.

Can I change my preferences once I have submitted my application?

- You can make changes to your online application up until the closing date.
- If you do go back and make further changes to your application you must re-submit it by clicking on ‘Submit application’ before the closing date.
- If you have made changes to your details or your child’s details you will still have to resubmit the application. Check the ‘My school admissions’ page and click on ‘Resubmit application’ for your most recent changes to be recorded.
- After the closing date Southwark Council’s school admissions team will accept the last submitted version of your application.

What communications will I be sent?

The eAdmissions website will send you various emails including:

- An email with your user name asking you to validate your email address.
- An email with your application reference number and the summary of your submitted application.
- An email reminder to submit any pending applications both one week before and 24 hours before the closing date. If you register less than 24 hours before the deadline you will not be sent this email.
- An email with the outcome of your online application will be sent during the evening of 1 March 2019.

If you have registered your mobile phone number to be part of the text messaging service, eAdmissions will send you various text messages including:

- A text with your validation code.
- A text confirming your user name.
- A text reminder to submit any pending applications about 24 hours before the closing date. If you register less than 24 hours before the deadline you will not be sent this text.
- A text with the application reference number of your submitted application.
- A text to inform you that the outcome of your application is available to view online. You will not be sent the outcome of your online application by text message.

If you feel you may need further help and advice in completing an online application please contact your child’s current primary school who may be able to support you.

For any further school admissions information or advice, please email the school admissions team at schools.admissions@southwark.gov.uk or call the team on 020 7525 5337.
What happens after the closing date?

How the decision to offer a school place is made

- Each of the schools you have named as preferences on your application will be considered individually.
- If you have listed any schools outside of Southwark, we will send your preferences to those boroughs electronically.
- All of Southwark’s secondary schools are non-community. Where a school has received more applications than there are places available, the governing body of each school applies their oversubscription criteria and decides which applicants are to be offered a school place. To view a summary of each school’s oversubscription criteria please view page 19 onwards.
- Once each school has prioritised applications based on their oversubscription criteria, they will each provide a ranked list to Southwark Council’s schools admissions team.
- If more than one offer can be made from your list of preferred schools, we will check your application to see which one is ranked highest and offer you that place. Any school listed as a lower preference will be automatically withdrawn so that these places can be offered to other applicants.
- Your child will only receive one offer of a school place.
- If your child is a Southwark resident and it is not possible to offer him/her a school you have listed as a preference, we will offer an alternative place at a school with capacity. This is likely to be the nearest Southwark school to the child’s home which has a vacancy.

Offer of a school place

- You will receive an email after 5pm on 1 March 2019 which will provide information on what to do next. You will also be able to view the outcome of your application on the eAdmissions website during the evening of 1 March 2019.
- Application results will not be provided over the telephone.
- Please note that the offer of a school place is conditional until proof of your address has been confirmed by the school.
- Original copies of the following will be required:
  - Child benefit documentation, or if you are no longer eligible to receive child benefit, a letter from the HMRC confirming that you were previously in receipt of child benefit
  - Council tax bill
  - One other proof of address, e.g. TV licence, bank statement, credit/store card statement.

Respond to your offer of a school place

- Your child’s offer will be automatically accepted if you are a Southwark resident and his/her details will be forwarded to the allocated school after 15 March 2019.
- This offer of a school place will remain available unless you notify us of any other suitable alternative arrangement for education that has been made for your child. You must notify the school admissions team by email at schools.admissions@southwark.gov.uk and include your unique application reference number by 15 March 2019 so that another child may be offered the place.
If you are not offered a school of your preference

Waiting lists
- If it has not been possible to offer a place at any Southwark schools named as a higher preference on your application, your child’s name will automatically be added to their waiting lists.
- You may also ask for your child’s name to be added to the waiting list of any out of borough schools listed on your application. Please contact the local authority the school is located in for further information.
- The school admissions code requires admission authorities to hold their waiting list strictly in order of the priorities of their published oversubscription criteria. If your child’s name is added to a school’s waiting list, their position may go up or down the list depending on whether any late applicants have been added and how the oversubscription criteria applies to these children (i.e. if a late applicant meets a higher admissions criterion than others already on the list, they will be given a higher waiting list position). This then ensures that if a vacancy arises at a school at any time, the admissions criteria is used to determine which child is offered a place from the waiting list.

- Southwark Council’s school admissions team hold waiting lists for all Southwark schools until 31 August 2019 and will contact you should a place become available at your preferred school.

- If a conditional offer made from a waiting list is not accepted within five working days it will be withdrawn and offered to the next child on the list.

- If you change address whilst on a waiting list, evidence of the new address will be required when measuring for the home to school distance criterion.

Appeals
- You have the right to appeal to an independent appeal panel against the decision not to offer your child a place at a preferred school. The email containing the outcome of your child’s application will also include information about how to appeal.

- You will need to contact each school directly to request their individual appeal form and for further information on the deadline for submitting your appeal paper work.

- For further information about the appeals process please contact Southwark Council’s school admissions team on 020 7525 5337 or by obtaining a copy of the School Admissions Appeals Code from the Department for Education (DfE), contact details on page 48.

Late applications
- If you are making a late application between 1 November 2018 and 30 June 2019, you must complete and submit an online application at www.eadmissions.org.uk Please see page 12 for information on how to apply online.

- If you are making a late application after 30 June 2019, you must complete a paper form as the online application system will no longer be available. You can download the form at www.southwark.gov.uk/schooladmissions You can also request the form from the school admissions team by calling 020 7525 5337.

- All late applications received after 31 October 2018 (except those regarded as exceptional circumstance) will not be considered for a school place until after the initial offer of places on 1 March 2019.

- However, Southwark Council’s school admissions team can accept a late application as on time where it considers there are exceptional circumstances. You will need to notify the school admissions team by email at schools.admissions@southwark.gov.uk If you are submitting a late application under exceptional circumstances, providing your reasons and any supporting documents so that they can be considered.
Only late applications submitted between 1 November 2018 and 12 December 2018 may be considered under the exceptional circumstance category.

Late applicants will receive their child’s offer of a school place by post.

**Change of address after you have submitted your application form**

If your child’s home address has changed after you have submitted your application, you must complete and return a ‘Change of address’ form to Southwark Council’s school admissions team immediately. You can download the form at [www.southwark.gov.uk/schooladmissions](http://www.southwark.gov.uk/schooladmissions). You can also request the form from the school admissions team by calling 020 7525 5337.

The school will then need to process your child’s application again in order to apply their oversubscription criteria.

**Important information**

If the council or an admission authority has reason to suspect that a family does not live at the address stated, we will carry out an investigation. Should we discover that a parent is making a fraudulent claim the offer of a place will be withdrawn.

If the college is oversubscribed the area served by the college is divided into an inner and an outer catchment area. 135 (75 per cent) of the available places will be allocated to applicants living in the inner area and 45 (25 per cent) to applicants living in the outer area.

All applicants must take a reasoning test which will be used to place each applicant into an ability band within their catchment area, each containing, as far as possible, the same number of applicants. Within each of these bands applicants will be considered for admission in accordance with the criteria below, applied in order.

After places have been allocated to children with an education, health and care plan or a statement of special educational needs, the remaining places within each catchment area band will be allocated in the following order of priority:

1. Looked after children and previously looked after children who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

2. Random allocation within each ability band. This process will be supervised by a person independent of the college

### Oversubscription criteria 2019 (summary) contact academy for full criteria

All applicants must take a non verbal reasoning (NVR) test that places them in a rank order. This will take place on **Friday 14 December 2018**. We will then place all applicants in one of nine ability bands, where ability is referenced to the national ability profile. After the admission of pupils with an education, health and care plan where the academy is named on the plan, applicants will be considered for admission within each of the nine bands in accordance with the criteria below:

1. Looked after children in public care and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

2. Students for whom admission to the academy is essential because of significant medical/social needs. All applications under this criterion must be supported with relevant written evidence from a doctor or social worker

3. Students whose siblings currently attend the academy and who will continue to do so on the date of admission

4. Girls who are in attendance at Harris Primary Academy Peckham Park

5. Proximity of students’ permanent address to the academy using straight line, computer calculated measurements

Students who have not taken the banding test (apart from looked after children and previously looked after children who must always be given priority) will be considered after students who have sat the banding test. They will be prioritised on the basis of criteria two, three and four (in order).

All applicants will be offered fair access to the test and reminded of the dates, times and locations available to sit the test.

**Oversubscription criteria 2019 (summary)**

**contact academy for full criteria**

We will offer a place to students whose education, health and care plan or statement of special educational need specifically names Harris Academy Peckham (maximum five per cent of intake) and looked after children.

We will apply a banding system for the remaining places, as follows:

All applicants must take a non verbal reasoning test (NVR) that places them in a rank order.

We will then place all applicants in one of five ability bands, each containing, as far as possible, the same number of children based on their performance in the NVR. This ensures that the ability profile of our intake reflects the range of all applicants.

Within each of the five bands, we have the following categories and offer places in priority order as listed below:

1. Looked after students in public care and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

2. Students with significant medical or social needs supported by professional evidence

3. Siblings, defined as brothers or sisters of students who are on roll at the academy at the time of admission

4. Students who are in attendance at Harris Primary Academy, Peckham Park and Harris Primary Free School, Peckham

5. Proximity of the child’s permanent address to the school – closest first. The distance which determines how close a student lives to the academy is the straight line measurement from the main entrance of the student’s permanent address to the main entrance of the academy

6. If at the end of the process two or more applicants are tied for last place and it is not possible to decide who is allocated the place using the criteria above, the place will be decided by random allocation, independently verified

Applications for children with an education, health and care plan or a statement of special educational needs are considered under a separate process. The allocation of the remaining places will take place under a framework of fair banding where all applicants will undertake a non-verbal reasoning test. These applicants will be placed in nine ability bands depending on the score an applicant achieves. This process is to ensure a comprehensive intake into the academy. The criteria to allocate places within each band will be applied in the order set out below. It should be noted, however, that places are awarded first to students who have attended the academy’s testing session.

1. Looked after children and previously looked after children. Such students will be given top priority in each band before the oversubscription criteria is applied.

2. Girls for whom it is essential that they be admitted to the academy because of significant medical or social needs, evidenced by written evidence from a professional such as a doctor or social worker.

3. Girls who, on the date of their proposed admission, will have a sister who will then be a student at Harris Girls’ Academy, East Dulwich. A student’s sister is defined for this purpose as a natural or adopted sister, or half sister, who will be living with the student at the same address on the date of their entry to the academy.

4. One third of the remaining places available in each band (rounded up to the next whole number) will then be allocated to those living nearest to the academy as calculated by straight line distance from the student’s home to the road junction of Shelbury Road and Colyton Road and living no more than one kilometre away from that point. Any applicants not allocated a place on this basis will be added to those awaiting random allocation as set out in 5 below. Any places not filled by this distance criteria will also be added to the available places in each band to be filled by random allocation.

5. Remaining students who have sat the admissions test and have not been allocated a place will be selected for a place in each band through a random allocation procedure until each band is full. Should any band not be full at the end of this process, students from the nearest adjacent band will be allocated using random allocation to fill the unallocated places, alternating between the band above and below. The random allocation will be verified by a person independent of the academy who will certify that it has been carried out properly and fairly.

If there are more applicants than the number of places available, the following oversubscription criteria will be applied.

Applicants will be placed in one of three ability bands according to their test scores, including those with an education, health and care plan or a statement of special educational needs that names the school, in accordance with the School Admissions Code 2014. Places within each band will be allocated in the following order of priority:

1. Children in public care (looked after children) or children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order) i.e. previously looked after

2. Children who satisfy our scholarship criteria based on aptitude for music or sport i.e. 15 per cent of the number of students on roll per year group. Please refer to scholarship oversubscription criteria for more information

3. Children who will have brothers or sisters attending the school at their time of entry

4. Children of members of staff where the member of staff has been employed permanently at the school for two or more years at the time at which the application for admission to the school is made and will still be employed by the school on the date of admission

5. Where professional evidence indicates that there are particular psychological, medical or social needs which the school's learning support faculty agrees only Kingsdale has the capability of addressing or meeting and significant difficulties would arise were the applicant to attend a different school

6. Random allocation within each ability band. This process will be supervised by a person not employed by the school or independent of the school

2. Baptised Roman Catholic girls. Evidence of baptism will be required. 3. Girls who are catechumens or candidates – evidence will be required

4. Other looked after children, or children who were looked after but ceased to be so because they were adopted (or became subject to a residence/special guardianship order)

5. Girls who are baptised members of an Orthodox Christian Church. Evidence of baptism will be required

7. Girls who are members of other Christian denominations who are not affiliated to Churches Together in England. To demonstrate membership, applicants will need to provide evidence of baptism (where applicable) and evidence from the priest or minister of a designated place of worship

8. Girls of other faiths whose membership to that faith can be confirmed by a priest, minister or religious leader of a designated place of worship

9. Any other girls

In all categories the school expects parents to support the ethos of the school (values, uniform and discipline).

The following order of priorities will be applied when applications within any of the above categories or sub categories exceed the places available and it is necessary to decide between applications.

i. The attendance of a sister or sisters at the school at the time of admission (natural sisters, step sisters, adopted and foster sisters). This does not include other relatives e.g. cousins.
ii. Exceptional social, medical or pastoral need of the child which can be met most appropriately at this school.

iii. Age of child at baptism.

iv. Distance from home to school. Places will be offered to girls living nearest the school using a straight line measurement from the front door of the applicant home to the main gate of the school.

### Oversubscription criteria 2019 (summary) contact school for full criteria

The governors’ admission policy recognises that this is a Church of England school. It makes provision for the admission of girls from practising Christian families. It also provides for the admission of girls from families committed to other faiths, or to none, who wish their daughter to be educated in a school with a Christian ethos. There are three categories of places. Looked after children and previously looked after children will be given priority in each admission category.

1. **Foundation places (70)**  
70 places each year will be offered to girls who satisfy the following criteria in order of priority:  
(i) Girls who themselves and/or whose parent/carer can show that they are a regular worshipper at an Anglican church at least fortnightly for at least two years prior to application. Evidence of church commitment from the parish priest or similar church leader will be required.  
(ii) Girls who themselves and/or whose parent/carer can show that they are a regular worshipper at a Christian church (i.e. recognised by the Churches Together in England or the Evangelical Alliance) at least fortnightly for at least two years prior to application. Evidence of church commitment from the minister will be required.  
Within categories (i) and (ii) priority will be given according to the following criteria:  
1. Those whose sisters attend the school at the time of admission  
2. Those who attend feeder primary schools

2. **Open places (37)**  
37 places will be offered to girls who are not eligible for foundation places. Where there is oversubscription, the criteria below will be applied:  
(i) Those whose sisters attend the school at the time of admission  
(ii) Those who attend feeder primary schools  
(iii) Nearestness from home to the school, measured in a straight line

3. **15 per cent ability places (18)**  
In order to achieve a balanced intake, 18 places will be offered to girls who score highest on the school’s general ability test. To be considered for an ability place, parents/carers must complete and return the school’s supplementary information form. Parents/carers are also advised to apply for either a foundation or open place so that in the event they are not offered an ability place, their child can be considered under their alternative chosen category.

**Tie break**  
If two or more applicants have equal right to a place under any of the criteria for either foundation or open places and there are insufficient places, distance will be used to decide between applicants. If applicants are equidistant from the school, the governing body will draw lots to decide.

For full details of the oversubscription criteria for 2019, please contact the school directly.

In the event of oversubscription the following arrangements will apply:

1. Applicants who are looked after, having regard to any collective agreement operated by Southwark Council over the admission of looked after children. This also includes children who were looked after but ceased to be so because they were adopted (or become subject to a child arrangement/residence/special guardianship order).

A banding system is adopted for the remaining places. Each applicant will be required to take a non-verbal reasoning test which places the applicant in a rank order.

Those pupils (maximum 24) selected on the basis of assessed aptitude for the information technology specialism will be excluded from the rank order list and admitted.

The remaining applicants will then be placed in one of five bands based on their performance in the test. Places will be allocated so that an equivalent number of applicants are admitted from each band. Applicants will be admitted according to the criteria listed below in the order listed:

2. Eligible applicants residing in our catchment area in the City of London (this is currently estimated as a maximum of 30 applicants)

3. Eligible applicants residing in our catchment area in Southwark, and where there are more such applicants than places, according to the following criteria listed in priority order:

4. Siblings of Year 7 to 11 pupils already attending the academy

5. Children with special medical or social needs which the academy is best placed to meet (backed up by professional advice from the health authority and/or social services on why the academy is necessary)

6. Children attending Redriff Primary School

7. Children who live nearest to the academy, measured by the shortest safe walking distance from their normal family home to the corner of Lynton Road and St James's Road by the main academy building

8. Eligible applicants residing outside of the catchment areas and where there are more applicants than places available – children attending the Sir John Cass’s VA Foundation Primary School in the City of London will be given priority

SEN admissions

Applicants with an education, health and care plan or a statement of special educational needs which appropriately names the academy will be admitted, subject to separate arrangements.
Oversubscription criteria (summary) 2019

Where the number of applications for admission is greater than the number of places available the governors will apply the following oversubscription criteria. After the admission of pupils with an education, health and care plan or a statement of special educational needs and where the academy is named on the plan or statement the criteria will be applied in the order in which they are set out below:

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement/residence/special guardianship order)

2. Children who are eligible for the pupil premium

3. Children for whom it is essential that they be admitted to the academy because of a significant medical or social need

4. Siblings of pupils who will be registered pupils of the academy on the first day of term where the applicant pupil would be joining the school

5. Children who live nearest to the school using a straight line measurement from the main entrance of the academy to the main entrance of the child’s home. A child’s home is considered to be the child’s permanent residence. If custody of a child is shared, the address given should be that of the parent or carer with whom the child spends most of the school week

6. Children of staff employed for at least two years at the academy or recruited to meet a skills shortage

All applicants will take a standardised non verbal reasoning test which will be used to place each applicant into an appropriate group.
In year admissions and how to apply

In year applications can be made for places outside of the secondary transfer process. Please read below for information on how to apply for an in year place for your child.

Families applying for a place in Southwark schools must complete the Southwark in year application form. Completed forms are to be returned to:

School admissions team (4th floor), Hub 2, children’s services, Southwark Council, PO Box 64529, London SE1P 5LX or by email to inyear.admissions@southwark.gov.uk.

However, Southwark families applying to transfer their child from one Southwark school to another Southwark school must return their completed form directly to the school they are applying to.

Families who are applying for a voluntary aided (church) school, academy, foundation or free school must contact the school directly to ask if they require families to complete a supplementary information form (SIF). All completed SIFs must be returned directly to the school of application.

The in year form is available to download at www.southwark.gov.uk/schooladmissions
Alternatively, you can request the form by calling 020 7525 5337.

Families applying for a school place outside of Southwark are to contact the relevant local authority to enquire about applying for places in their area.

For further information about in year admissions please visit www.southwark.gov.uk/schooladmissions
Family early help

In order for young people to get the best out of their education it is important that they attend school regularly, they arrive on time, and that they get the right support to help them reach their potential. The early help localities is available throughout Southwark's schools to support you and your child to achieve this.

School attendance

Southwark Council monitors school attendance and exclusions and helps schools and parents meet their legal responsibilities. Our officers work closely with schools to improve levels of attendance and behaviour, and will always try to work in partnership with parents to resolve any difficulties.

If your child is too unwell to attend school, you should contact the school straight away and tell the school when you expect them to return.

The council and government expect that parents will not disrupt children's education by taking them out of school during the school term. Headteachers can authorise up to five days absence in extenuating circumstances.

If permission is not granted the school may issue a penalty notice. This is a fine of £60 raising to £120 (per parent) if the penalty notice is not paid within 21 days. Failure to pay a penalty notice may result in a prosecution.

Please speak to the school before making your travel arrangements.

You can contact Southwark Council’s family early help service direct by contacting the duty desk on 020 7525 2714 between 9am and 5pm, Monday to Friday, where you will be able to arrange an appointment to see an officer or have a telephone discussion.

Safeguarding your child

Schools and Southwark Council have a legal duty to safeguard pupils and promote their welfare and wellbeing through effective links with parents and carers. They must consider reporting any unexplained injuries, unusual behaviour or worrying things said by or about the child and will not take risks with the safety or welfare of your child.

- Good communication is very important between home and school about any accidents, illness or upset that might be affecting your child
- If you cannot collect your child from school on time, you must contact the school as soon as possible
- You must give your child’s school your contact details and details of a relative or friend who is willing to act as an emergency contact
- A referral to children’s social care will not normally be made without discussing this with you first but please make sure that the school knows how to contact you
- If you think that your child is being bullied by other children (including upsetting text messages or via the internet) you must report this to their teacher, head of year, form tutor or class teacher

If you have concerns that a child may be at risk of harm you should contact the Southwark Multi-Agency Safeguarding Hub on 020 7525 1921 or 020 7525 5000 (out of hours).

Exclusions

A headteacher may exclude a child in response to serious breaches of the school's disciplinary procedures. Advice for parents regarding exclusions is available from Southwark Council’s inclusion team manager (exclusions) on 020 7525 2714 / 2716.
Additional education information you may find useful

- Universal Credit with an annual net earned income of no more than £7,400.

If you do meet the criteria above, please contact your child’s school to request a pupil premium application form which you must complete and return back to the school directly.

For further information, contact Southwark Council’s school benefits team by email at school.benefits@southwark.gov.uk or by telephone on 020 7525 5051.

Child employment

Most children under the age of 16 will require a permit to work. The youngest age a child can work part-time is 13, except children involved in areas like television, film, theatre, sporting events or modelling who may need a license if they are missing school and being paid. If the child is a Southwark resident, the person in charge of running the event must apply to Southwark Council for a child performance license.

If the child will not be with their parent, school teacher or home tutor during their employment, they must be supervised by a chaperone who has been approved by the council.

Businesses intending to employ school aged children must apply for a child employment permit before they can be employed. If a child is working without a child employment permit, there’s a risk that the employer won’t be insured against accidents involving the child.

For advice and applications for child performance licenses, chaperone licenses and child employment permits, please contact Southwark Council’s child employment officer on 020 7525 2702.

Private fostering

If you are looking after a child or young person who is not a close relative (close relatives are birth parents, step parents by legal marriage, siblings, grandparents, aunts or uncles whether they are full blood, half blood or by marriage) for 28 days or more, you must notify Southwark Council on 020 7525 1921. We will make sure that you and the child are given support and we will also advise you about the other services which might be helpful.

If you would like advice about whether you need to notify Southwark Council, please call 07539 346 808 or email privatefosteringadvice@southwark.gov.uk.

Free travel

In most cases we expect children and young people to either walk, cycle or use Transport for London’s free London bus scheme to get to school. For further information you can view the Transport for London website at www.tfl.gov.uk or telephone 0343 222 1234.

For further information, contact Southwark Council’s school benefits team by email at school.benefits@southwark.gov.uk or by telephone on 020 7525 5051.
