

3.07 ENGAGEMENT: AREA 02 ELEVATION STUDIES

East Elevation

Street is Great for Business
 "The priority should be keeping the street clean."

Speed Bumps
 "Having speed bumps is very important, people drive like crazy here."

 Shan Autos

Storage Space
 "We need more bins and storage, it gets too messy and often our barrels spill"

Parking
 "Parking used to be free some years ago, it would be good to have it like that again. Our customers get tickets all the time."

Garage Frontage
 "It would be great getting some help improving the frontage of the garages, mine had the artwork of an eagle but got painted over."

Anti-Social Behaviour
 "Often people hang out outside my business practicing anti-social behaviour, they have caused trouble with neighbours and clients."

Clean Street
 "The priority should be keeping the street clean."

Diversifying Uses
 "We wanted to offer something different than a normal bike workshop. We'd like to sell coffee as well."
