## Wyndham Road and Redcar Street Project Update

Issue 2 | 09 April, 2019

Hello and welcome to the second edition of the Wyndham Road and Redcar Street (Wyndham & Redcar) project update. The project is part of the Council's commitment to build 11,000 new council homes by 2043.

The purpose of this update is to ensure local residents know how the project is progressing and we aim to issue it at least once every quarter.

If you have any questions or concerns about the project please contact the project manager, Nafeesa Chalisa, at [nafeesa.chalisa@southwark.gov.uk](mailto:nafeesa.chalisa@southwark.gov.uk)

## Spring update!

Following the termination of the agreement between Clarion and Southwark Council in January 2019, we have had a number of very useful conversations with local stakeholders that are helping to shape how we will relaunch the scheme.

A meeting has been scheduled with the Project Steering Group on 10<sup>th</sup> April and following this, Southwark Council will aim to organise a Public Consultation event either late April or in May.

Please do remember to look for the invitation which will be posted on the project page in the next few weeks:
