The apparatus must be kept in good condition and must also comply with any conditions with regard to safety, inconvenience to persons, in particular the disabled, using that street, and the structure of the street, that the Council may impose.

THE LICENCE HOLDER will be the owner of the plant/apparatus and will be responsible for every aspect of the licence including: -

- (i) Proof of Public Liability Insurance - Minimum cover of £5 million.
- (ii) Charges - £5,828.00 - including administration & all inspection fees (£828.00), a refundable bond (£5000:00) against defects during the 2 year period of guarantee or proof that a performance bond has been taken. Please see notes
